Lydekker, 2015-08-05 Excerpt from *Sir William Flower* Although the complete manuscript of this volume was placed in the hands of the editor before the publication of the late Mr C J Cornish's *Life of Sir William Flower* in 1904 yet the present writer was aware that such a work was in progress and that it would deal with the social and personal rather than with the scientific side of Sir William's career Consequently it was decided at an early period of the work to concentrate attention in the present volume on the latter aspect of the subject as indeed is only fitting in the case of a biography belonging to a series specially devoted to men of science An incidental advantage of this arrangement is that the writer has been able in the main to confine himself to the discussion of topics with which he is more or less familiar rather than to attempt to chronicle events and episodes to which he must of necessity be a stranger and to attempt an appreciation of a fine character for which he is in no wise qualified It will be obvious from the above that any references in the text to earlier biographies do not relate to Mr Cornish's Volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Sir William Henry Flower** Charles John CORNISH, 1904      *Sir William Henry Flower, K. **C. L., Late Director of the Natural History Museum, and President of the Royal Zoological Society** Charles J. Cornish, 2015-08-08 Excerpt from Sir William Henry Flower K C B F R S LL D D C L Late Director of the Natural History Museum and President of the Royal Zoological Society A Personal Memoir The death of Sir William Flower in 1899 was a personal sorrow to so many friends in all stations of life and a cause of almost personal regret to so many of the public that a memoir of his life might have been expected earlier But to any one who reads the following pages it will not come as a surprise that the loss of so attached a husband and father made it a task of a trying kind to members of his family to arrange and recall the memorials of a life so deeply regretted His youngest son Mr Victor A Flower collected and classified most of the material available in the form of early letters and general memoranda during a visit to England before returning to professional work at Singapore and wrote the first two chapters as they stand here But as Sir Williams necessary correspondence increased the recipients were naturally more diffused and the matter more condensed consequently this source of information became less available as an aid to the setting out of his later and more important years About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Sir William Henry Flower ...* Henry Woodward, 1899 **Fourth Report of the Royal Commission on Historical Manuscripts: Report and appendix** Great Britain.
