

A portrait of Elton John from the chest up. He is wearing a black leather jacket with red piping along the collar and sleeves, over a white t-shirt. He is also wearing a black flat cap with a red band. His hands are clasped together in front of him, near the zipper of his jacket. He has a serious expression and is looking directly at the camera. The background is a textured, reddish-brown surface.

Elton David Buckley,2007 One of music s true global superstars and most admired figures Elton John has sold an estimated 200 million albums worldwide to date and continues to appear regularly in the singles charts thanks largely to a series of high profile collaborations with new faces But he is loved as much for his outrageous personality and witty outspokenness as for his music recent memorable outbursts have included a public comment that people who charge 75 and lip sync should be shot and calling some pushy photographers rude vile pigs He has even admitted that in one of his more comedic cocaine fueled moments he phoned one of his management team to tell him to do something about the wind outside my hotel room Such shamelessness and sheer silliness rivals anything uttered by punk rockers yet it is so typically Elton honest and wittily intemperate Tragedy and heartbreak have played a large part in his life too Behind the parties the hedonism the lavish stage costumes and silly glasses lies a more somber story There have been disputes with managers legal wranglings splits with partners and a divorce Added to that there have been serious health problems a very public battle with his expanding waistline and receding hairline drug addictions and spells when he wanted to quit the music business altogether But now at 60 years old Elton enjoys a stable relationship with his husband David Furnish His demons have been overcome His commercial and critical stock is rising With popular acts like the Scissor Sisters sounding more like Elton than Elton himself Elton John is finally cool again Drawing on many firsthand interviews with his associates and musical collaborators this page turning story of high drama and prodigious talent traces Elton s astonishing journey through life as the colossus of camp while also offering a critical history of his work and analyzing afresh his contribution to popular music

Is This the Real Life? Mark Blake,2025-05-01 Queen s success in the 1970s was accompanied by a taste for musical and non musical excess Is This the Real Life draws on eyewitness testimonies former producers and managers ex girlfriends and boyfriends to create a complete picture of one of the world s most ambitiously driven rock bands at work and at play Revealing Queen s complex dynamic Blake also explores how Freddie Mercury s

sexuality alienated some of the band's fan base how they reinvented themselves by morphing from hard rock to pop and how they saw out their final years as Mercury became one of the most successful rock stars in the world Is This the Real Life looks beyond Queen's public persona to shed light on the legendary band's four wildly divergent personalities particularly lead singer Freddie Mercury's *Life in the Fast Lane* Mick Wall, 2023-07-11 Surely make you lose your mind So the Eagles warn us about the outrageous and ruthless lifestyle of the ambitious rock n roller In fact Don Henley could barely listen to the track Life in the Fast Lane when they were recording it He was so high that it made him sick The band that embodied the American dream with globe straddling success impossibly luxurious lives and almost supernatural talent also descended into nightmare with bloodletting betrayal hate filled hubris the skeletons of perceived enemies brutally discarded lovers and former band mates left unburied in the road behind them The Eagles story is a truly gothic American fable one of ultimate power and rivers of money of sex and drugs at a time when both were the lingua franca of sophisticated So Cal living of a band who sang of peaceful easy feelings in public while threatening to kill each other in private Now legendary rock journalist Mick Wall delivers definitive insight into America's best selling band of all time a band that has sold more records than Led Zeppelin and the Rolling Stones combined exploring their meteoric rise to fame and the hedonistic days of the 70s music scene in LA when American music was taking over the world **House of Nutter** Lance Richardson, 2018-05-01 The strange illuminative true story of Tommy Nutter the Savile Row tailor who changed the silhouette of men's fashion and his rock photographer brother David who captured it all on film From an early age there was something different about Tommy and David Nutter Growing up in an austere apartment above a caf catering to truck drivers both boys seemed destined to lead rather humble lives in post war London Tommy as a civil servant David as a darkroom technician Yet the strength of their imagination plus a little help from their friends transformed them instead into unlikely protagonists of a swinging cultural revolution In 1969 at the age of twenty six Tommy opened an unusual new boutique on the golden mile of bespoke tailoring Savile Row While shocking a haughty establishment resistant to change Nutters of Savile Row became an immediate sensation among the young rich and beautiful beguiling everyone from Bianca Jagger to the Beatles who immortalized Tommy's designs on the album cover of Abbey Road Meanwhile David's innate talent with a camera vaulted him across the Atlantic to New York City where he found himself in a parallel constellation of stars Yoko Ono Elton John who enjoyed his dry wit almost as much as his photography House of Nutter tells the stunning true story of two gay men who influenced some of the most iconic styles and pop images of the twentieth century Drawing on interviews with more than seventy people and taking advantage of unparalleled access to never before seen pictures letters sketches and diaries journalist Lance Richardson presents a dual portrait of brothers improvising their way through five decades of extraordinary events their personal struggles playing out against vivid backdrops of the Blitz an obscenity trial the birth of disco and the devastation of the AIDS crisis A propulsive deftly plotted narrative filled with surprising details and near operatic twists House of Nutter
