*For a New Geography* Milton Santos, 2021-11-09 For the first time in English a key work of critical geography Originally published in 1978 in Portuguese For a New Geography is a milestone in the history

of critical geography and it marked the emergence of its author Milton Santos 1926 2001 as a major interpreter of geographical thought a prominent Afro Brazilian public intellectual and one of the foremost global theorists of space Published in the midst of a crisis in geographical thought *For a New Geography* functioned as a bridge between geography's past and its future In advancing his vision of a geography of action and liberation Santos begins by turning to the roots of modern geography and its colonial legacies Moving from a critique of the shortcomings of geography from the field's foundations as a modern science to the outline of a new field of critical geography he sets forth both an ontology of space and a methodology for geography In so doing he introduces novel theoretical categories to the analysis of space It is in short both a critique of the Northern Anglo centric discipline from within and a systematic critique of its flaws and assumptions from outside Critical geography has developed in the past four decades into a heterogeneous and creative field of enquiry Though accruing a set of theoretical touchstones in the process it has become detached from a longer and broader history of geographical thought *For a New Geography* reconciles these divergent histories Arriving in English at a time of renewed interest in alternative geographical traditions and the history of radical geography it takes its place in the canonical works of critical geography

*Essays in Argentine Labour History, 1870-1930* Jeremy Adelman, 1992-06-18 From 1870 to 1930 Argentina underwent massive changes The development of the working classes shaped the direction of those changes by promoting democratization and economic redistribution This text looks at the formation and weaknesses of the Argentine working classes during this period

*Perceptions of Marginality* Heikki Jussila, Walter Leimgruber, Roser Majoral, 2019-07-09 First published in 1998 this volume takes an international approach theoretical and regional perceptions and experiences of marginality along with some key case studies in Arctic North America Greenland Aboriginal Australia and the Republic of Ireland Its contributors are geographers from all over the world It is part of a series which aims to publish new scientific work on the dynamism of the marginal and critical regions of the world and concentrates on understanding marginality and its processes the human process and its agents comparative approaches and different policy responses to economic social and environmental problems along with studying the human response to global change and its implications for marginalization

**The Politics of Privatisation and Trade Union Mobilisation** Pablo Ghigliani, 2010 This is a comparative study of how workers and their unions respond to privatisation Drawing upon research from a variety of disciplines the author examines the push toward privatisation in diverse national settings its profound impact on organised labour and the often innovative responses of workers and their unions in the affected industries By means of a detailed analysis of the privatisation of the electricity industries in the United Kingdom and Argentina and the various initiatives of workers and their trade unions in these two countries this book offers an engaging comparative case study that sheds new light on key issues in contemporary labour studies the strategic choices available to workers and their organisations when faced with the radical restructuring of their industries the types of resources available to trade unions and how they are

mobilised and the impact of widespread worker unrest on their organisations This book also provides fresh insight into the use of mobilisation theory in the field of labour studies The author employs mobilisation theory to make sense of worker and trade union responses to privatisation and he argues that this theoretical framework can be useful for cross national comparisons     Ideas, política, economía y sociedad en la Argentina (1880-1955) ,2007
