Doran,2008-11-06 Historically the state of Ohio has maintained an active role in the promotion of southern gospel music Many gospel artists including some of the Nation s finest were either born or lived a portion of their life in Ohio Development of these ministries and the events that have taken place along the way has become a valuable part of Ohio s history Over the past two years desiring to preserve a portion of this history I have completed extensive research interviewing gospel artists throughout the state I then compiled this information into a unique collection of history to be shared with everyone To help the reader more fully appreciate life on the road the stories of these gospel artists are presented within the context of eight road tours covering the entire state of Ohio Travelling along on each tour we will experience a variety of emotions from laughter to frustration At each stop we will learn some fascinating facts about the town and while in town we ll stop by and visit with a few of those southern gospel artists and or groups who claim the town as part of their heritage Each tour will end with a short walk down memory lane as we view photos of those gospel artists whom we have just visited So come on Open the book climb on board and prepare yourself for eight exciting tours across the great state of Ohio where we ll meet some truly inspiring people Hope you enjoy the book **Sister Savior** Brittanie Richardson,2023-11-07 What is savior hood that truly brings liberation Is it only the white male Jesus figure dying on the cross to save us from hell A missionary crossing oceans to save the lost In this searing memoir Brittanie Richardson remembers begging God to save her from sexual abuse at the tender age of three and takes us on her journey where her initial understanding of savior hood was stolen and she became steeped in white evangelicalism white saviorism and trying to change herself to please God She eventually moved to Kenya to rescue young girls from sexual exploitation and bring them the good news of salvation Instead these girls by showing up and saving each other everyday reintroduced her to sister savior hood which defied the limitations of white savior hood and centered the power of marginalized girls Richardson denounces white evangelicalism deconstructs her faith and embraces all of herself including her queerness Through her story you will also be moved to embark on your own journey of liberation and self acceptance
