Ruth Ellis: My Sister's Secret Life Muriel Jakubait,Monica Weller,2012-11-01 The secret double life of Ruth Ellis and the Establishment cover up that led to her unjust hanging Ruth Ellis the last woman to be hanged in Britain was convicted fifty years ago for shooting her lover David Blakely The case became a notorious part of British criminal history and was turned into the film Dance with a Stranger The story that has been perpetuated ever since is that of a peroxide tart who killed in a fit of passion Yet crucial questions were left unasked in the original trial Ruth Ellis's sister Muriel Jakubait knew her longest of all She has never given up her search for justice Now after fifty years she has decided to reveal the hard facts about their shared upbringing and seek to piece together the full true story of her sister As she is at pains to point out the jealous killer tag has never been substantiated This is a story of power espionage lies loyalty poverty sex and betrayal It suggests a third man may have pulled the trigger for the fatal shots And that he belonged to a web of espionage into which Ruth Ellis fell long before the shooting Above all it indicates that Ruth

was being run by Stephen Ward at least a decade before his name became public in the Profumo Scandal Muriel's motive is about more than proving her sister Ruth's innocence It's about reclaiming the right to tell the story of her own family stripped bare of the many tabloid myths that have accrued over the decades She shows that Ruth was somebody damaged at a very early age who strove to make something of herself only to be caught up in something much bigger and end up paying with her life

Her Sister's Secret Life Pamela Toth, 2007-01-01

Seeing the woman who'd left him without a backward glance was painful enough for Steve Lindstrom but Lily Mayfield hadn't returned to their hometown alone. Just the sight of the heartbreakingly lovely single mother and her son awoke bittersweet yearning for what might have been. Walking away from the only man she'd ever loved had left Lily with enough regrets for two lifetimes. Now after years of harboring her unhappy secret, the time had come to tell the truth. If Steve could give her a second chance, she'd have every intention of showing him where her heart had always been with him. Her Sister's Secret

WOW Will keep you on the edge of your seat to the final stunning ending. To say I loved this book is an understatement. This book is why I read thrillers. Kept me so captivated. A stunner. NetGalley reviewer: Why would you pretend your life is a dream when you're living a nightmare? I thought my sister was happy. I thought what we all thought that Annie and Dom led perfect lives in a lovely cottage in a quiet village by the sea with flowers at the front gate and an apple tree in the garden. Everyone knew them generous loving Dom creative joyful Annie. But I never saw Annie as she sat waiting for Dom well into the night. I didn't see her smiling through her tears. I didn't know what the perfect couple were hiding. So when sirens break the silence of the night and flames rise against the dark sky and I get the call I never expected, I'm left with a simple burning question: who was to blame? A brilliantly twisty tale of family secrets and the darkness that can lie behind closed doors. Her Sister's Secret will keep you turning the pages till the final devastating revelation. Fans of Lisa Jewell, Gillian Flynn, and Louise Candlish will love it. See what everyone's saying about Her Sister's Secret: AMAZING. Susie Lynes is the one to blame for the bags under my eyes for me being unable to focus on work because all I want to do is get back to reading and for the palpitations in my heart as once again she spun her magical writing web and trapped me inside the pages. Totally off the scale star rating for me. Chapter in my Life: Incredible. Will stay with me for a loooooong time. Fantastic. Intense. Gripping. Phenomenal. I loved it. NetGalley reviewer: Suspense, secrets, loss, lies, and a shocking ending. Absolutely gripping. I LOVED it. Bookworm86: Wow. Just wow. Grabbed me by the throat from the outset and didn't relinquish its grip until the very end. Will have you gasping. I did literally scream out loud at one point. Goodreads reviewer: Delicious prose, well-rounded characters, and mind-bending plot twists. Read it. Devour it. Share it. Jenny O'Brien: S.E. Lynes does it again. I didn't see the final twist coming. AT ALL. elizabethsbooks: A total thriller that will grab you at page one and keep you locked in until you finish. Kept me up way past my bedtime to find out what happened. It is THAT good. Goodreads reviewer: Wow. Kept me guessing until the reveal almost at the very end. Fantastic. Girl Who Reads: I couldn't put it down because I so needed to know what was going on. A twisty plot with one hell of a good finish. A real didn't see that coming ending. Compelling and compulsive. Completely blowing my mind. Goodreads reviewer: Absolutely stunning. Twisty and thrilling. The kind of novel that you can't put down but you don't want to finish. I absolutely loved it. Motherhood for Slackers: Wow. Refreshingly brilliant. A killer twist which you will not predict. I absolutely love it. You are completely engrossed and invested. iheartbooks1991: Do not pick up this book unless you devote time to read it because once you start, there's no going back.
