*Sister Rain* Vickie Lockard, 2011-02-26      **Shining After Rain: Or, the Sister's Vow: a Tale** ,1857      *Shining after rain or The sister's vow* Shining, 1857      **When the Rain Comes** Jodelle Yount, 2022-01-27 This book follows the life of Jaz an Emergency Medicine physician who experienced an atrocious trauma after witnessing the brutal murder of her sister This resulted in her becoming a vigilante named Rain who hunts sex traffickers and became a champion for enslaved women and children The book gives an inside look into what our heroine is thinking and feeling as she balances relationships such as when she meets the quirky and intuitive Freya and friendships specifically with the intelligent and charming local detective Jack This first book in the series follows the main character as she chases down a notoriously dangerous villain Cain who exploits and abuses women while maintaining a very clean public persona as the owner of a professional basketball team You will not be able to put the story down Full of twists and turns action packed and some sexiness weaved in You will be begging for more of Rain s adventures      *Chipmunk-Girl: Thorpe E. Wright V*, 2016-07-28 About Chipmunk Girl Last of the Mole People Many ancient cultures around the world believe that our forefathers came from the stars These include the Aztecs Mayans Egyptians Hindus and the Chinese to name but a few Even in the Middle East the Syrians talk of an alien race known as the Epoch Several Native American tribes believe that man did not descend from the stars but arose from the earth The American Indians tell of races such as the ant people lizard people and the Sasquatch Bigfoot living among humans Lesser known is the legend of the mole people not referring to the homeless people living in the sewers of New York City The Native Americans tell tales of man sized squirrels and of talking chipmunks Go online and you may come across an article written on August 1 2009 in the Weekly World News It tells of a story of mole people living twenty miles beneath the earth twenty miles Were not talking sewers here A tunnel was discovered in Washington State Apparently NASA discovered the tunnel and is doing a cover up President Bush handled the situation though communication was very difficult with the race of mole people for they can only speak an old Navajo dialect Chipmunk Girl Last of the Mole People is a story of the mole people exiling two of their own to the surface world and the sole survivor their daughter Whether this book is just another fun filled fantasy or a story based on actual real life events Ill let you decide But let me ask you this question what if the legends and stories are true what if Thorpe E Wright V author and illustrator tells the Legend of Chipmunk Girl Last of the Mole People

**Sunshine & Rain** Dawn Desiree, 2016-02-23 With their families torn apart by the vicious life of the streets Sunshine and Rain find each other living with the same foster mother who has a secret life of her own With Rain s stern heart of steel and Sunshine s innocent heart of gold they try to cope with traumatic unforeseen circumstances that come their way As these two diamonds hook up and shine they go from rags to riches Watch as Sunshine and Rain deal with death betrayal love and sweet temptation Can their newfound friendship survive through all the madness      *Where a Little Rain Comes Down* Tammy Wiens, 2007-12-20 This is a book about the effect of prostitution whether physical or spiritual in nature on the human spirit It

is also a story about the hope we have in Christ and the difference God makes in lives Love can be sought after in both a right and a wrong way One way it produces death to our beings while the other it brings a new vibrancy to life But its all a delicate balance and if we were not careful we can fall away from the life bringing love to the destructive kind The Bible warns that when we think we're standing we've already fallen Its when we feel we're above people lost in worlds we deem as dirty and less than acceptable that we're on the edge of the cliff In truth we all sin and make mistakes Come share in Rain and Lances life journey dealing with the heartache and fallout of choosing a path away from God and His love for a life of self and gods of this world

**Rain's Theory 2** KC Mills,2015-12-22 After finally finding her heart's keeper and trying to make up for lost time things go terribly wrong for Rain when Theory lands on the wrong end of a bad situation Rain has to pull it together and be the strength that Theory can't be for himself With nothing left to chance Theory has to hit the streets to find out who had an ax to grind with him With Frank by his side they are on a mission to get revenge and to make things worse he has to find time to fix what Lani and her father have screwed up in Rain's life Just when Frank and Diamond are figuring things out Desitny shows up and gives Frank a reason to rethink his decision Family can make you or break you and Rain quickly finds out that she can't hide from hers Adopted or not she's not exempt from family drama and her sister Charlotte is the definition of trouble Will the crew survive and make it to the next stage in their lives or will they fall victim to the choices that they've made along the way

Forgiveness becomes the Master Key to still this storm and could mean the difference between life or death of an innocent child *Problematica* George Murray,2021-09-07 A best of collection from one of Canada's most ambitious poets

*Problematica* a scientific term used to describe species that defy classification See unidentifiable George Murray is a strange beast Lauded as one of Canada's leading poets his work has been published around the world but here at home he has never really fit in with his contemporaries By turns archly formal and thoughtful insouciant and hilarious each of his six books seems intent on staking out its own identity standing alone in stark contrast to all others Yet in this judicious selection of new and selected poems spanning Murray's 25 year career we see threads and patterns emerge like fractals From early narrative poems to lyrical explorations of the metaphysical to investigations of the colloquial and contemporary Murray's work roams a landscape that includes everything from happiness to regret love to loss doubt to faith anxiety to acceptance This collection not only represents the best of Murray's earlier poems but also surprises readers with a section of never before seen new work revealing a life spent wrestling with what it means to arrive live and leave *Problematica* is a considerable body of poetry from a mind that obsessively wanders the edges of thought and language working to identify what boundaries may or may not exist *Pirate Princess Nascaria* T.L.
