

"No reader can walk away from this [book] without understanding, and being moved by, the tremendous accomplishments of these women." —Greta Sharma Jensen, *Millwaukee Journal Sentinel*

SISTERS

THE LIVES *of* AMERICA'S SUFFRAGISTS

JEAN H. BAKER

Sisters The Lives Of Americas Suffragists

Jean H. Baker

Sisters The Lives Of Americas Suffragists:

Sisters Jean H. Baker, 2006-08-22 Jean H Baker's *Sisters* shows how the personal became political In the fight to grant women civil rights They forever changed America Lucy Stone Susan B Anthony Elizabeth Cady Stanton Frances Willard Alice Paul At their revolution's start in the 1840s a woman's right to speak in public was questioned By its conclusion in 1920 the victory in woman's suffrage had also encompassed the most fundamental rights of citizenship the right to control wages hold property to contract to sue to testify in court Their struggle was confrontational women were the first to picket the White House for a political cause and violent women were arrested jailed and force fed in prisons And like every revolutionary before them their struggle was personal For the first time the eminent historian Jean H Baker tellingly interweaves these women's private lives with their public achievements presenting these revolutionary women in three dimensions humanized and marvelously approachable

The Woman's Hour Elaine Weiss, 2018-03-06 Both a page turning drama and an inspiration for every reader Hillary Rodham Clinton Soon to Be a Major Television Event The nail biting climax of one of the greatest political battles in American history the ratification of the constitutional amendment that granted women the right to vote With a skill reminiscent of Robert Caro Weiss turns the potentially dry stuff of legislative give and take into a drama of courage and cowardice The Wall Street Journal Weiss is a clear and genial guide with an ear for telling language She also shows a superb sense of detail and it's the deliciousness of her details that suggests certain individuals warrant entire novels of their own Weiss's thoroughness is one of the book's great strengths So vividly had she depicted events that by the climactic vote spoiler alert The amendment was ratified I got goose bumps Curtis Sittenfeld The New York Times Book Review Nashville August 1920 Thirty five states have ratified the Nineteenth Amendment twelve have rejected or refused to vote and one last state is needed It all comes down to Tennessee the moment of truth for the suffragists after a seven decade crusade The opposing forces include politicians with careers at stake liquor companies railroad magnates and a lot of racists who don't want black women voting And then there are the Antis women who oppose their own enfranchisement fearing suffrage will bring about the moral collapse of the nation They all converge in a boiling hot summer for a vicious face off replete with dirty tricks betrayals and bribes bigotry Jack Daniel's and the Bible Following a handful of remarkable women who led their respective forces into battle along with appearances by Woodrow Wilson Warren Harding Frederick Douglass and Eleanor Roosevelt The Woman's Hour is an inspiring story of activists winning their own freedom in one of the last campaigns forged in the shadow of the Civil War and the beginning of the great twentieth century battles for civil rights

Fight of the Century Barb Rosenstock, 2020-06-16 The fight for women's suffrage between women's rights leader Alice Paul and President Woodrow Wilson is creatively presented as a four round boxing match in this energetic nonfiction picture book When Woodrow Wilson was elected President he didn't know that he would be participating in one of the greatest fights of the century the battle for women's right to vote The formidable Alice Paul led the women's suffrage movement and saw

President Wilson's election as an opportunity to win the vote to women. She battered her opponent with endless strategic arguments and carefully coordinated protests calling for a new amendment granting women the right to vote. With a spirit and determination that never quit even when peaceful protests were met with violence and even when many women were thrown in jail, Paul eventually convinced President Wilson to support her cause, changing the country forever. Cleverly framed as a boxing match, this book provides a fascinating and compelling look at an important moment in American history. Sarah Green's bright, detailed illustrations perfectly accompany award-winning author Barb Rosenstock's captivating narrative.

Reforming America Jeffrey A. Johnson, 2017-03-20 Presenting a detailed look at the individual themes and moments that shaped this important Progressive Era in American history, this valuable reference spans 25 years of reform and provides multidisciplinary insights into the period. During the Progressive Era, influential thinkers and activists made efforts to improve U.S. society through reforms both legislative and social on issues of the day such as working conditions of laborers, business monopolies, political corruption, and vast concentrations of wealth in the hands of a few. Many Progressives hoped for and tirelessly worked toward a day when all Americans could take full advantage of the economic and social opportunities promised by U.S. society. This two-volume work traces the issues, events, and individuals of the Progressive Era from approximately 1893 to 1920. The entries and primary sources in this set are grouped thematically and cover a broad range of topics regarding reform and innovation across the period, with special attention paid to important topics of race, class, and gender reform and reformers. The volumes are helpfully organized under five categories: work and economic life, social and political life, cultural and religious life, science, literature, and the arts, and sports and popular culture. *Righteous Rhetoric*

Leslie Dorrough Smith, 2014-03-04 Through a detailed study of the sexually charged rhetoric of one of America's largest conservative women's organizations, Concerned Women for America (CWA), *Righteous Rhetoric* argues that the absolute, ordered platforms for which CWA is known are not the linchpin of its political power. Rather, such absolutes are the byproduct of a more fundamental rhetorical process called chaos rhetoric, a type of speech designed to create a heightened sense of social chaos and threat. Women in the World of Frederick Douglass

Leigh Fought, 2017 A biographical study of famed abolitionist Frederick Douglass through his relationships with the women in his life that reveals the man from both a political and private perspective. *Women Music Educators in the United States* Sondra Wieland Howe, 2013-11-07 Although women have been teaching and performing music for centuries, their stories are often missing from traditional accounts of the history of music education. In *Women Music Educators in the United States: A History*, Sondra Wieland Howe provides a comprehensive narrative of women teaching music in the United States from colonial days until the end of the twentieth century. Defining music education broadly to include home, community, and institutional settings, Howe draws on sources from musicology, the history of education, and social history to offer a new perspective on the topic. In colonial America, women sang in church choirs and taught their children at home. In the first half of the nineteenth century, women published hymns

taught in academies and rural schoolhouses and held church positions After the Civil War women taught piano and voice went to college taught in public schools and became involved in national music organizations With the expansion of public schools in the first half of the twentieth century women supervised public school music programs published textbooks and served as officers of national organizations They taught in settlement houses and teacher training institutions developed music appreciation programs and organized women s symphony orchestras After World War II women continued their involvement in public school choral and instrumental music developed new methodologies conducted research and published in academia Howe s study traces this evolution in the roles played by women educators in the American music education system illuminating an area of research that has been ignored far too long *Women Music Educators in the United States A History* complements current histories of music education and supports undergraduate and graduate courses in the history of music music education American education and women s studies It will interest not only musicologists educational historians and scholars of women s studies but music educators teaching in public and private schools and independent music teachers

Legends and Stories for a Compassionate America Luigi Morelli, 2014-05-05 Legends the second records periodic efforts to revive the original founding impulses Through the biographies of important individuals the role of national holidays and determining events the book allows the American soul to reveal itself When these phenomena appear in their fullest light the American dream appears as a whole that is more than the sum of its parts the stories and legends moreover it is a whole that is universal The book speaks with relevance and urgency to all who want to renew hope in the future of our nation and of the world Luigi Morelli is also the author of *A Revolution of Hope Spirituality Culture and Social Change* Seeking the Right to Vote LeeAnne Gelletly, 2014-09-02 It was women who first picketed the White House for a political cause In 1917 they held banners and signs calling for suffrage for women They wanted the right to vote These suffragists were continuing a protest that had begun in 1848 Elizabeth Cady Stanton helped found the suffrage movement Her friend Susan B Anthony shaped it They would both live long enough to see women gain the vote in a few states But it would take another generation to finish the campaign Among those activists were Carrie Chapman Catt who took a disciplined and moderate approach and Alice Paul whose confrontational style led to picketing the White House The fight to achieve the vote was long and hard Suffragists followed both moderate and militant paths But they shared the belief that women were citizens of the United States And that meant they had a right to vote **Alice Paul, the National Woman's Party and the Vote** Bernadette Cahill, 2015-04-16 When women picketed the White House demanding the vote on January 10 1917 they broke new ground in political activism Demanding that President Wilson influence Congress they marched in the streets in the nation s first ever coast to coast campaign for political rights Women were imprisoned for peaceful protests went on hunger strikes and were beaten and tortured by authorities But they won the 19th Amendment ensuring that the right to vote could not be denied because of gender Their successful nonviolent civil rights campaign established a precedent for those that followed giving them the tools

including the vote needed to advance their goals This book chronicles the work of Alice Paul and the National Woman s Party and their influence on American political activism **Margaret Sanger** Jean H. Baker,2011-11-08 Undoubtedly the most influential advocate for birth control even before the term existed Margaret Sanger ignited a movement that has shaped our society to this day Her views on reproductive rights have made her a frequent target of conservatives and so called family values activists Yet lately even progressives have shied away from her citing socialist leanings and a purported belief in eugenics as a blight on her accomplishments In this captivating new biography the renowned feminist historian Jean H Baker rescues Sanger from such critiques and restores her to the vaunted place in history she once held Trained as a nurse and midwife in the gritty tenements of New York s Lower East Side Sanger grew increasingly aware of the dangers of unplanned pregnancy both physical and psychological A botched abortion resulting in the death of a poor young mother catalyzed Sanger and she quickly became one of the loudest voices in favor of sex education and contraception The movement she started spread across the country eventually becoming a vast international organization with her as its spokeswoman Sanger s staunch advocacy for women s privacy and freedom extended to her personal life as well After becoming a wife and mother at a relatively early age she abandoned the trappings of home and family for a globe trotting life as a women s rights activist Notorious for the sheer number of her romantic entanglements Sanger epitomized the type of free love that would become mainstream only at the very end of her life That she lived long enough to see the creation of the birth control pill which finally made planned pregnancy a reality is only fitting **A Soul on Trial** Robin R. Cutler,2007-09-13 You must clear my name Full of animal life and spirit Sister coming for remains We are not sleeping That no injustice may be done A wider forum A serious and grave affair An officer said it Sutton mystery deeper The best of my recollection Sacred reputations Every scrap of evidence The ferocity of a tigress The court the corps and public opinion Jimmie Sutton s body and soul Politics and the paranormal **The SAGE Encyclopedia of Alcohol** Scott C. Martin,2014-12-16 Alcohol consumption goes to the very roots of nearly all human societies Different countries and regions have become associated with different sorts of alcohol for instance the beer culture of Germany the wine culture of France Japan and saki Russia and vodka the Caribbean and rum or the moonshine culture of Appalachia Wine is used in religious rituals and toasts are used to seal business deals or to celebrate marriages and state dinners However our relation with alcohol is one of love hate We also regulate it and tax it we pass laws about when and where it s appropriate we crack down severely on drunk driving and the United States and other countries tried the failed Noble Experiment of Prohibition While there are many encyclopedias on alcohol nearly all approach it as a substance of abuse taking a clinical medical perspective alcohol alcoholism and treatment The SAGE Encyclopedia of Alcohol examines the history of alcohol worldwide and goes beyond the historical lens to examine alcohol as a cultural and social phenomenon as well both for good and for ill from the earliest days of humankind **Public Universities and the Public Sphere** W. Smith,2010-11-22 Public Universities and the Public Sphere argues that two crises

facing America a crisis of public discourse and a crisis of public higher education are closely connected Part of the solution Smith argues in this timely work to both crises lies in understanding and building on the connection

American Government 3e Glen Krutz,Sylvie Waskiewicz,2024-09-08 Also available as audiobook American Government 3e aligns with the topics and objectives of many government courses Faculty involved in the project have endeavored to make government workings issues debates and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject With this objective in mind the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding to avenues of political participation to thorough coverage of the political structures that constitute American government The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications The goal of each section is to enable students not just to recognize concepts but to work with them in ways that will be useful in later courses future careers and as engaged citizens In order to help students understand the ways that government society and individuals interconnect the revision includes more examples and details regarding the lived experiences of diverse groups and communities within the United States The authors and reviewers sought to strike a balance between confronting the negative and harmful elements of American government history and current events while demonstrating progress in overcoming them In doing so the approach seeks to provide instructors with ample opportunities to open discussions extend and update concepts and drive deeper engagement This is an adaptation of American Government 3e by OpenStax You can access the textbook as pdf for free at openstax org Minor editorial changes were made to ensure a better ebook reading experience This is an open educational resources OER textbook for university and college students Textbook content produced by OpenStax is licensed under a Creative Commons Attribution 4 0 International License

American Government 4e Glen Krutz,Sylvie Waskiewicz,2025-07-24 American Government 4e aligns with the topics and objectives of many government courses The authors have worked to develop meaningful and memorable explanations narratives and examples regarding the actions workings and outputs of government The offering focuses on the real world impact of government and presents the importance and benefits of civic engagement by students

Women's Rights in the United States Tiffany K. Wayne,2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of

the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

The Soul of America Jon Meacham, 2019-04-30 1 NEW YORK TIMES
BESTSELLER Pulitzer Prize winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear Gripping and inspiring *The Soul of America* is Jon Meacham's declaration of his faith in America Newsday ONE OF OPRAH'S BOOKS THAT HELP ME
THROUGH A BEST BOOK OF THE YEAR NPR The Christian Science Monitor Southern Living Our current climate of partisan fury is not new and in *The Soul of America* Meacham shows us how what Abraham Lincoln called the better angels of our nature have repeatedly won the day Painting surprising portraits of Lincoln and other presidents including Ulysses S Grant Theodore Roosevelt Woodrow Wilson Franklin D Roosevelt Harry S Truman Dwight Eisenhower and Lyndon B Johnson and illuminating the courage of such influential citizen activists as Martin Luther King Jr early suffragettes Alice Paul and Carrie Chapman Catt civil rights pioneers Rosa Parks and John Lewis First Lady Eleanor Roosevelt and Army McCarthy hearings lawyer Joseph N Welch Meacham brings vividly to life turning points in American history He writes about the Civil War Reconstruction and the birth of the Lost Cause the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s the fight for women's rights the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II the anti Communist witch hunts led by Senator Joseph McCarthy and Lyndon Johnson's crusade against Jim Crow Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back to assert hope over fear a struggle that continues even now While the American story has not always or even often been heroic we have been sustained by a belief in progress even in the gloomiest of times In this inspiring book Meacham reassures us The good news is that we have come through such darkness before as time and again Lincoln's better angels have found a way to prevail

Daily Life of Women in the Progressive Era Kirstin Olsen, 2019-06-24 This book illustrates the social change that took place in the lives of women during the Progressive Era The political and social change of the Progressive Era brought conflicts over labor women's rights consumerism religion sexuality and many other aspects of American life As Americans argued and fought over suffrage and political reform vast changes were also taking place in women's professional material personal recreational and intellectual lives In this installment of Greenwood's *Daily Life through History* series award winning author Kirstin Olsen brings to life the everyday experiences priorities and challenges of women in America's Progressive Era ca 1890 1920 From the barnstorming bloomer girls who showed America that women could play baseball to film star tycoon and co founder of the Academy of Motion Pictures Mary Pickford and from the highly skilled Hello Girls telephone operators who helped win World War I to the remarkable journalist and civil rights activist Ida Wells Barnett women led both famous and ordinary lives that were shaped by and helped to drive the dramatic social change taking place during the Progressive Era All of this and more

is described in this book through topical sections as well as stories and profiles that reveal to readers the daily lives of America's women who lived during the Progressive Era. Readers will benefit from Olsen's characteristically sharp eye for detail, power of description and breadth of historical knowledge.

Historical Dictionary of the United States Kenneth J. Panton, 2022-08-23

The evolution of the United States from a late 18th century coalition of rebel British colonies to a 21st century global superpower was shaped by several forces. As the nation expanded its boundaries after the Treaty of Paris confirmed independence from Great Britain in 1783, it acquired a rich variety of resources: coal, fertile soils, forests, iron ore, oil, precious metals, space, and varied climates, as well as extensive tracts of territory. Technological innovations such as the cotton gin and steam power enabled entrepreneurs to exploit those resources and create wealth. Federal and state legislators provided environments in which the economy could flourish, and military strategists kept the country safe from external attack. Diplomats negotiated commercial agreements with foreign governments and cultivated multinational alliances that strengthened freedoms. Through its focus on the people and places that shaped the country's economic and political development and its detailed accounts of the processes that enabled the U.S. to expand across the continent, *Historical Dictionary of the United States* contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 400 cross-referenced entries on important personalities, as well as aspects of the country's politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about the United States.

Decoding **Sisters The Lives Of Americas Suffragists**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
