Situation And The Story The Art Of Personal Narrative:

The Situation and the Story Vivian Gornick, 2002-10-11 A guide to the art of personal writing by the author of *Fierce Attachments* and *The End of the Novel of Love* All narrative writing must pull from the raw material of life a tale that will shape experience transform event deliver a bit of wisdom In a story or a novel the I who tells this tale can be and often is an unreliable narrator but in nonfiction the reader must always be persuaded that the narrator is speaking truth How does one pull from one's own boring agitated self the truth speaker who will tell the story a personal narrative needs to tell That is the question *The Situation and the Story* asks and answers Taking us on a reading tour of some of the best memoirs and essays of the past hundred years Gornick traces the changing idea of self that has dominated the century and demonstrates the enduring truth speaker to be found in the work of writers as diverse as Edmund Gosse Joan Didion Oscar Wilde James Baldwin or Marguerite Duras This book which grew out of fifteen years teaching in MFA programs is itself a model of the lucid intelligence that has made Gornick one of our most admired writers of nonfiction In it she teaches us to write by teaching us how to read how to recognize truth when we hear it in the writing of others and in our own , A

Companion to American Literature Susan Belasco, Theresa Strouth Gaul, Linck Johnson, Michael Soto, 2020-04-02 A comprehensive chronological overview of American literature in three scholarly and authoritative volumes *A Companion to American Literature* traces the history and development of American literature from its early origins in Native American oral tradition to 21st century digital literature This comprehensive three volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field Contributors explore a broad range of topics in historical cultural political geographic and technological contexts engaging the work of both well known and non canonical writers of every period Volume One is an inclusive and geographically expansive examination of early American literature applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts Volume Two covers American literature between 1820 and 1914 focusing on the development of print culture and the literary marketplace the emergence of various literary movements and the impact of social and historical events on writers and writings of the period Spanning the 20th and early 21st centuries Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars This inclusive and comprehensive study of American literature Examines the influences of race ethnicity gender class and disability on American literature Discusses the role of technology in book production and circulation the rise of literacy and changing reading practices and literary forms Explores a wide range of writings in multiple genres including novels short stories dramas and a variety of poetic forms as well as autobiographies essays lectures diaries journals letters sermons histories and graphic narratives Provides a thematic index that groups chapters by contexts and illustrates their links across different traditional chronological boundaries *A Companion to American Literature* is a valuable resource for

students coming to the subject for the first time or preparing for field examinations instructors in American literature courses and scholars with more specialized interests in specific authors genres movements or periods *The Lab* Matthew Clark Davison,Alice LaPlante,2025-07-22 Great writing doesn't begin with form it begins with obsession Two novelists offer an inspiring guide to transforming that obsession using whatever genre fits best Writers don't need formulas they need encouragement to take risks *The Lab* offers a bold hands on approach urging writers to embrace uncertainty experiment with form and investigate what haunts them *The Lab* features ten chapters and ninety exercises challenging writers to play with fiction memoir and poetry or push toward hybrid or entirely new forms This is a book for those ready to dig deep and write fearlessly *The Telling and the Tale: an Introductory Guide to Short, Creative Prose* , *The Truth of Memoir* Kerry Cohen,2014-12-19 Baring the Truth in Your Memoir When you write a memoir or personal essay you dare to reveal the truths of your experience about yourself and about others in your life How do you expose long guarded secrets and discuss bad behavior How do you gracefully portray your family members friends spouses exes and children without damaging your relationships How do you balance your respect for others with your desire to tell the truth In *The Truth of Memoir* best selling memoirist Kerry Cohen provides insight and guidelines for depicting the characters who appear in your work with honesty and compassion You'll learn how to choose which details to include and which secrets to tell how to render the people in your life artfully and fully on the page and what reactions you can expect from those you include in your work as well as from readers and the media Featuring over twenty candid essays from memoirists sharing their experiences and advice as well as exercises for writing about others in your memoirs and essays *The Truth of Memoir* will give you the courage and confidence to write your story and all of its requisite characters with truth and grace Kerry Cohen's *The Truth of Memoir* is a smart soulful psychologically astute guide to first person writing She reveals everything you want to know but were afraid to ask about telling your life story Susan Shapiro author of eight books including *Only As Good as Your Word* and co author of *The Bosnia List* *Profile Pieces* Sue Joseph,Richard Lance Keeble,2015-10-14 This book examines the history theory and journalistic practice of profile writing Profiles and the practice of writing them are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself While the subject often through the medium of their press representative struggles to retain control of the interview space the journalist seeks to subvert it This interesting and multi layered interaction however has rarely been subject to critical scrutiny partly because profiles have traditionally been regarded as public relations exercises or as soft journalism However chapters in this volume reveal not only that profiling has historically taken many different forms but that the idea of the interview as a contested space has applications beyond the subject of celebrated individuals The volume looks at the profile's historical beginnings at the contemporary manufacture of celebrity versus the ordinary at profiling communities countries and movements at profiling the destitute at sporting personalities and finally at profiling and trauma *Engaging*

Teens with Story Janice M. Del Negro, Melanie A. Kimball, 2017-06-28 Based on proven theory and real life experience this guidebook provides a one stop resource for educators librarians and storytellers looking to introduce storytelling programs for young adults Storytelling is often associated with storytime and library services to young children but effective storytelling speaks to all ages including teens Engaging Teens with Story How to Inspire and Educate Youth with Storytelling offers an in depth look at storytelling for young adults that explains the benefits of storytelling with this audience what current practices are and storytelling opportunities to explore with youth It provides a unique source of expert guidance that youth services librarians professional storytellers and middle and high school teachers will appreciate Readers will learn how to find stories for teens apply proven techniques for successful telling of tales to teens use traditional literature as a basis for creative writing and establish a teen storytelling club or troupe The guide also covers how teens can create their own stories with digital media the connections between traditional folk and fairy tales and today s film television books and online media and how storytelling can be successfully used with at risk youth *The Lioness in Winter* Ann Burack-Weiss, 2015-10-13 When she started working with the aged more than forty years ago Ann Burack Weiss began storing the knowledge and skills she thought would help when she got old herself It was not until she hit her mid seventies that she realized she had packed sneakers to climb Mount Everest not anticipating the crevices and chasms that constitute the rocky terrain of old age The professional gerontological and social work literature offered little help so she turned to the late life works of beloved women authors who had bravely climbed the mountain and sent back news from the summit Maya Angelou Colette Simone de Beauvoir Joan Didion Marguerite Duras M F K Fisher Doris Lessing Mary Oliver Adrienne Rich May Sarton and Florida Scott Maxwell were among the many guides she turned to for inspiration In *The Lioness in Winter* Burack Weiss blends an analysis of key writings from these and other famed women authors with her own wisdom to create an essential companion for older women and those who care for them She fearlessly examines issues such as living with loss finding comfort and joy in unexpected places and facing disability and death This book is filled with powerful passages from women who turned their experiences of aging into art and Burack Weiss ties their words to her own struggles and epiphanies framing their collective observations with key insights from social work practice **Use Your Words** Kate Hopper, 2012-04-17 **USE YOUR WORDS** introduces the art of creative nonfiction to women who want to give written expression to their lives as mothers Written by award winning teacher and writer Kate Hopper this book will help women find the heart of their writing learn to use motherhood as a lens through which to write the world and turn their motherhood stories into art Each chapter of **USE YOUR WORDS** focuses on an element of craft and contains a lecture a published essay and writing exercises that will serve as jumping off points for the readers own writing Chapter topics include the importance of using concrete details an overview of creative nonfiction as a genre character development voice humor tense and writing the hard stuff reflection and back story structure revision and publishing The content of each lecture is aligned with the essay poem in that chapter to help readers

more easily grasp the elements of craft being discussed Together the chapters provide a unique opportunity for mother writers to learn and grow as writers **USE YOUR WORDS** takes the approach that creative writing can be taught and this underscores each chapter When students learn to read like writers to notice how a piece is put together and to question the choices a writer makes they begin to think like writers When they learn to ground their writing in concrete sensory details and begin to understand how to create believable characters and realistic dialogue their own writing improves **USE YOUR WORDS** reflects Kate s style as a teacher guiding the reader in a straightforward nurturing and passionate voice As one student noted in a class evaluation Kate is a born writer and teacher and her enthusiasm for essays about motherhood and for teaching the nuts and bolts of writing so that ordinary mothers have the tools to write their stories is a gift to the world She is raising the value of motherhood in our society as she helps mothers build their confidence and strengthen their game as writers
