There is something wrong with the way we think and we may not know it. The world has a few things going for it, but it may not be what you think it is. The world is a very different place than it seems to be. It is a place of great beauty and great suffering. It is a place of great hope and great despair. It is a place of great love and great hate. It is a place of great joy and great pain. It is a place of great light and great darkness. It is a place of great truth and great lies. It is a place of great good and great evil. It is a place of great life and great death. It is a place of great hope and great despair. It is a place of great love and great hate. It is a place of great joy and great pain. It is a place of great light and great darkness. It is a place of great truth and great lies. It is a place of great good and great evil. It is a place of great life and great death.
