

Snake The Plain Its People

Rand McNally and Company

Snake The Plain Its People:

Many Wests David M. Wrobel, Michael C. Steiner, 1997 What does it mean to live in the West today Do people tend to identify with states with regions or with the larger West This book examines the development of regional identity in the American West demonstrating that it is a regionally diverse entity made up of many different wests Great Plains Southwest Rocky Mountains and more in which American regionalism finds its fullest expression These fourteen original essays tell how a sense of place emerged among residents of various regions and how a sense of those places was developed by people outside of them Wrobel and Steiner first offer a compelling overview of the West's regional nature then thirteen other rising or renowned scholars from history American Studies geography and literature tell how regional consciousness formed among inhabitants of particular regions All of the essays address the larger issue of the centrality of place in determining social and cultural forms and individual and collective identities Some focus on race and culture as the primary influences on regional consciousness while others emphasize environmental and economic factors or the influence of literature Some even examine western regionalism in areas that lie beyond the West as it has traditionally been conceived Each of the contributors believes that where a people live helps determine what they are and they write not only about the many wests within the larger West but also about the constant state of flux in which regionalism exists Many books speak of the West as a place but few others deal with the West's different places Many Wests presents a vision of the West that reflects both the common heritage and unique character of each major subregion building on the revisionist impulse of the last decade to help redirect New Western History toward an appreciation of regional diversity and integrate scholarship in the regional subfields It is a book for everyone who lives in studies or loves the West for it confirms that it is home to very different peoples economies histories and regions

Northwest Lands, Northwest Peoples Dale D. Goble, Paul W. Hirt, 2012-03-15 It can be said that all of human history is environmental history for all human action happens in an environment in a place This collection of essays explores the environmental history of the Pacific Northwest of North America addressing questions of how humans have adapted to the northwestern landscape and modified it over time and how the changing landscape in turn affected human society economy laws and values Northwest Lands and Peoples includes essays by historians anthropologists ecologists a botanist geographers biologists law professors and a journalist It addresses a wide variety of topics indicative of current scholarship in the rapidly growing field of environmental history

Irrigated Eden Mark Fiege, 2009-11-23 Irrigation came to the arid West in a wave of optimism about the power of water to make the desert bloom Mark Fiege's fascinating and innovative study of irrigation in southern Idaho's Snake River valley describes a complex interplay of human and natural systems Using vast quantities of labor irrigators built dams excavated canals laid out farms and brought millions of acres into cultivation But at each step nature rebounded and compromised the intended agricultural order The result was a new and richly textured landscape made of layer upon layer of technology and intractable natural forces one that engineers and

farmers did not control with the precision they had anticipated Irrigated Eden vividly portrays how human actions inadvertently helped to create a strange and sometimes baffling ecology Winner of the Idaho Library Association Book Award 1999 Winner of the Charles A Weyerhaeuser Award Forest History Society 1999 2000 The Nez Perce Indians and the Opening of the Northwest Alvin M. Josephy, 1997 This is the story of the so called Inland Empire of the Northwest that rugged and majestic region bounded east and west by the Cascades and the Rockies from the time of the great exploration of Lewis and Clark to the tragic defeat of Chief Joseph in 1877 Explorers fur traders miner settlers missionaries ranchers and above all a unique succession of Indian chiefs and their tribespeople bring into focus one of the permanently instructive chapters in the history of the American West

Public Power, Private Dams Karl Boyd Brooks, 2009-11-17 In the years following World War II the world's biggest dam was almost built in Hells Canyon on the Snake River in Idaho Karl Boyd Brooks tells the story of the dam controversy which became a referendum not only on public power expansion but also on the environmental implications of the New Deal's natural resources and economic policy Private power critics of the Hells Canyon High Dam posed difficult questions about the implications of damming rivers to create power and to grow crops Activists attorneys and scientists pioneered legal tactics and political rhetoric that would help to define the environmental movement in the 1960s The debate however was less about endangered salmon or threatened wild country and more about who would control land and water and whether state enterprise or private capital would oversee the supply of electricity By thwarting the dam's construction Snake Basin irrigators retained control over water as well as economic and political power in Idaho putting the state on a postwar path that diverged markedly from that of bordering states In the end the opponents of the dam were responsible for preserving high deserts and mountain rivers from radical change With Public Power Private Dams Karl Brooks makes an important contribution not only to the history of the Pacific Northwest and the region's anadromous fisheries but also to the environmental history of the United States in the period after World War II

The Warden of the Plains, and Other Stories of Life in the Canadian North-west John MacLean, 2022-08-01 DigiCat Publishing presents to you this special edition of The Warden of the Plains and Other Stories of Life in the Canadian North-west by John MacLean DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature

Hunters of the Plains: A Novel of Prehistoric America Ardath Mayhar, 2017-05-25 At a time when volcanoes were being born in what is now New Mexico clans of hunter gatherers were already living in the Great Plains Primordial beasts roamed the land creatures like the giant sloth the flat faced bear the woolly mammoth and the dire wolf hunted there often coming into conflict with their two legged prey When Do na ti reaches adulthood he slays the badger for his ceremonial cloak By wedding E lo ni he unites their clans Together they must face battle with dire wolves a stampede of mammoths that

destroys their lodge and the birth of a new volcano fulfilling an old woman's prophecy and Doña Te's conviction that his son must become brother to the mountain. Mayhew has a way of drawing the reader seamlessly into her historical narratives. You can smell the breath of the dire wolf as it closes in for the kill. Robert Reginald **Mahomet and his successors**

Washington Irving, 1882 *Lewis and Clark and the Image of the American Northwest* John Logan Allen, 1991-01-01 The author traces how Lewis and Clark's epic journey of 1804-06 and their charting of the American Northwest dramatically revised generally held concepts of the area's geography. With 45 maps. Splendidly researched and highly readable. Donald Jackson, editor of the *Letters of the Lewis and Clark Expedition* **Annual Report of the Idaho Geological Survey, Fiscal Year ...** Idaho Geological Survey, 1994 **Church missionary intelligencer**, 1885 *Anthropological Papers of the American Museum of Natural History*, 1909 **american museum of natural history** Clark Wissler, 1908 *Mythology of the Blackfoot Indians* Clark Wissler, D. C. Duvall, 1909 **Host bibliographic record for bound with item barcode 89062448725**, 1909 *Who Needs the Past?* R. Layton, 2012-11-12 This book offers a critique of the all pervasive Western notion that other communities often live in a timeless present. *Who Needs the Past* provides first hand evidence of the interest non Western non academic communities have in the past *The World and Its Peoples Photographed and Described* Rand McNally and Company, 1909 *Brisson's Stories of the Plains* George Pfaute Belden, 1881 **World and Its Peoples** Marshall Cavendish, 2006-09 Describes the geography, people, culture and politics of the countries of the Middle East, Central Asia and North Africa **The Plains of Abraham** James Oliver Curwood, 1928

This is likewise one of the factors by obtaining the soft documents of this **Snake The Plain Its People** by online. You might not require more epoch to spend to go to the book opening as without difficulty as search for them. In some cases, you likewise do not discover the pronouncement Snake The Plain Its People that you are looking for. It will unconditionally squander the time.

However below, in imitation of you visit this web page, it will be hence enormously easy to acquire as capably as download guide Snake The Plain Its People

It will not undertake many become old as we tell before. You can pull off it while conduct yourself something else at house and even in your workplace. for that reason easy! So, are you question? Just exercise just what we meet the expense of under as well as review **Snake The Plain Its People** what you behind to read!
