Book of Night Sneak Peek Holly Black, 2022-02-08 1 New York Times bestselling author Holly Black makes her stunning adult debut with *Book of Night* a modern dark fantasy of shadowy thieves and secret societies in the vein of *Ninth House* and *The Night Circus* Download a FREE sneak peek today One of Publishers Weekly s top ten most anticipated books of 2022

Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie. Now she's trying to distance herself from past mistakes, but going straight isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that her shadowless and possibly soulless boyfriend has been keeping secrets from her. When a terrible figure from her past returns, Charlie descends back into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgängers, mercurial billionaires, gloamists, and the people she loves best in the world, all trying to steal a secret that will allow them control of the shadow world and more. Dark, strange, thick with mystery and twists, *Book of Night* is everything delicious and frightening I've come to expect from Holly Black. It's a story so believable in its magic, you'll be keeping one eye on your shadow as you turn the pages. Leigh Bardugo, 1 New York Times bestselling author of *Ninth House*. Black is a master at world building. The New York Times Book Review: No one writes like Holly Black. John Green, 1 New York Times bestselling author. The Little Corporal, 1872 **Mahima** Viera Masih, 2010-12-02 Mahima A Memoir tells the story of an Indian-born woman and narrates firsthand the effects of religious and cultural norms, conventions, and expectations. In this memoir, author Viera Masih relates Mahima's story, providing insight into the narrowly prescribed cultural and religious norms of the society in which she was born. Her story captures the manner in which these norms and conventions led to her victimization. Born into a large family with six sisters and one brother, Mahima lived and studied in India for twenty-four years before traveling to the United States to pursue graduate school. Here, she met and fell in love with Vivek, a Hindu boy, even though, as a Christian girl, she was aware of the barriers that would make it difficult for the two of them to marry outside of their respective religious traditions. Forsaking love for tradition, Mahima accepted an arranged marriage to a man approved by her family. Even before she and Ateet were married, and then throughout their marriage, she suffered abuse, however, she felt trapped as divorce was not a part of her family's moral world view. This memoir shares Mahima's emotions as she navigates through an arranged marriage dictated by societal traditions. Her story is one of pain and redemption, a tortuous journey from darkness to light. *Atkinson's Evening Post, and Philadelphia Saturday News*, 1929
