Sniffing Out The Spy Rimmy London, 2022-06-15 If Santiago is NOT the spy then why is he headed to jail Can Megan find out the truth before it's too late Summer is coming to an end at the picturesque seaside town of Seacrest and with it comes a food truck festival like they've never seen before Even Margaret gets in on the fad setting up her own tea truck But business is hardly booming and it's left her in poor spirits But for the moment Megan has bigger problems Santiago calls from jail requesting that she come visit However when she does their conversation makes no sense at all Why would he use up their precious few minutes speaking gibberish As Megan begins piecing it all together she realizes he's just given her a BIG clue With a clue comes a case and with a case comes a plan and a disguise and a chase But if Megan thought their villain had small town intentions she's in big time trouble In way over her head she never imagined what lengths a well trained criminal would go to Before she realizes it Fred is the target And now all bets are off because Megan would do anything to get him back Join Megan Henny and Fred as Megan inevitably gets them into trouble and Fred stumbles over the solution One fun thrilling chilling read with the salty wind in your face and a dark forest as your backdrop Snuggle up if you dare **Sniffing**

about glue sniffing and out of body experiences that occurred during the early seventies Back then I was a teenager who had a difficult upbringing with many factors causing a chaotic life Through all of this I learned the potentials of a stimulant combined with mind control It was my first use of any kind of drug and unintentionally it took me on a journey of discovery There are two main abilities one has to overcome in order to experience OBEs The first is telepathic speech construction and application The ability to communicate is immensely important and allows you to utilise the learning process The second is manipulation of the visual environment When this has been achieved I attained a separation of the soul from the body to a state I call the third level In this plane I had a guide called Gong he is of alien origin and my mentor My time in the third phase lasted around one year in which I experienced technologies far in advance of mankind To summarise part of the

outstanding events I have seen thirteen UFO s on three different occasions not on drugs witnessed scenes from my own future in detail I was permitted to see the left hand side of my soul I have been in the same room as an alien Events of this nature although exceptional are not the main point of the story I was asked to write of my experiences in the spirit plain At the time my education was close to semi literacy and through a combination of learning and patience feel it is the right time to fill an agreement
