Lion Eyes Victor Villaseñor,2011-10-01 In the American Indian belief it is said that we never really know who we are until we find our totem and once we do then everything falls into place even in the midst of chaos Lion Eyes is the exciting true story of Jan Milburn who came face to face with his totem and was transformed As a love deprived young child he got lost in a snowstorm in the Santa Cruz Mountains of California and a huge mountain lion led him safely home setting him on a course for a miraculous life Acclaimed bestselling author Victor Villaseñor gives voice to Jan's thrilling tale full of danger clashes between light and darkness romance and healing miracles Against the backdrop of the 60s a time of love and war a time of turmoil and social upheaval a time of young people's exuberant exploration while the establishment tried to hold on to the past Jan Milburn chose an unusual calling becoming the youngest minister ever ordained by the state of California Jan's spiritual path incredibly led him from San Francisco's Haight Ashbury District of the 60s to Mexico and into the darkness of the drug world Hunted by a notorious assassin he stared down death and encountered the very depths of depravity and violence but ultimately awakened to his magical Spirit Guides and the Kingdom of God within each of us that transcends religion and of the body limitations It was at this time that Mireya a beautiful young Indian girl saw in Jan the noble heart of a lion and the vision of an eagle Nothing could get in the way of her love and admiration for this man It was written in the stars she said Eventually Mireya and Jan married and were instrumental in helping to return more than two million acres of stolen land to the Tarahumara Indians of Chihuahua Mexico Lion Eyes is a mystical heartfelt soul inspiring love story of timeless relevance It shows us that our global future lies not just in our politics and religious beliefs but also in our unwavering love and our forgotten native wisdom that once we find our totem everything falls into place even amidst chaos illustrated by one man's incredible life which can become the norm for all of humanity
