Rumpelstiltskin's Secret Harry Rand, 2019-12-09 Everyone knows Rumpelstiltskin's story or thinks they do But this innocent seeming tale hides generations of women's shrewd accounts of their relationships with men And the verdict is not flattering The fairytale may count among the world's oldest dirty jokes The theme of the tale an observation repeated and varied throughout mocks male inadequacy in many forms beginning with sexual failure The punchline misplaced over time its wickedly funny insights about adult life passed for childish nonsense The story hides in plain sight criticism of workplace sexual harassment centuries before society took notice of the indignity Rumpelstiltskin tells a feminist tale with lessons for men and women about what women said to each other when they thought their private conversation and complaints passed unnoticed In the story's different versions the Brothers Grimm who recorded the tale missed women's wry observations

David--Faith on the Run Larry Lichtenwalter,2004-02 Like David Outlaw Cave man Guerrilla So how does the hero behave under pressure The subject of this second volume on the life of David is his fugitive years when his passion for God was stressed to the breaking point He starts out holding Goliath s severed head and ends up weeping over the death of nemesis Saul and soul mate Jonathan In between he runs At first the battlefield hero wins the hearts of the people and becomes a palace fixture All is well in King Saul s court until the women begin singing his praises Now the rising star is a marked man with a price on his head Dodging javelins David succumbs to fear He resorts to deception Once he ran toward his enemies now he runs from them His only hope his only help is God The Lord is for me he writes so I will not be afraid What can mere mortals do to me Ps 118 6 NLT This book is for all who walk through the valley of the shadow who face the perfect storm of failure and disgrace Before God can bring us into a spacious place we must learn what David learned in the dark about God God delivers The storm will subside Goliath will fall But we must wait on the Lord **Border Poetics in German and Polish Literature** Karolina May-Chu,2024 Examines how political borders are intertwined with less concrete borders such as those of ethnicity gender or class and how these entanglements are represented in contemporary novels that reimagine the German Polish borderlands as cosmopolitan spaces Globalization notwithstanding we live in an age of borders as the ongoing conflict at Europe s eastern edge reminds us Borders are meant to protect but they also divide and exclude This book however focuses on literature that pushes back against the divisiveness of borders advocating for transborder connections and criticizing exclusionary boundaries It examines novels that reimagine the German Polish borderlands as cosmopolitan spaces novels by Nobel Prize winners Olga Tokarczuk and G unter Grass as well as by authors less well known internationally the Polish Inga Iwasi ow the German Tanja D uckers and the German Polish Sabrina Janesch The book utilizes and elaborates the concept of border poetics a narrative and cultural practice that places political borders in relation to less concrete borders such as those of gender ethnicity or class as well as in relation to epistemological and ontological

boundaries of language knowledge even reality Because border poetics rests on the same productive tension between the particular and the universal that drives contemporary notions of cosmopolitanism the book argues for the practice as an instance of what sociologist Gerard Delanty has termed cosmopolitan imagination The richly contextualized analysis is framed within transnational German Studies and draws on border studies cosmopolitanism European literature and world literature
