The Story of a Donkey Sophie comtesse de Ségur,2017 This is the story of Neddy the donkey narrated from his point of view His adventures are interesting and amusing and as there has been nothing quite like them originally written in English The book contains 1 color image and 25 pen and ink illustrations During the story he wants his master to know better what sort of animals donkeys really are and so he writes the story of his life He points out that donkeys have been and still are often badly treated by human beings Even so he claims donkeys more often than not have good temperaments but confesses that in his youth he sometimes behaved very badly and was punished for it This made him unhappy but in the end he repented and how in the end his repentance changed him and gained for him the forgiveness of his friends and masters He finishes So when you have read my history you won t say any more as stupid as a donkey or as obstinate as a donkey but as sensible as a donkey as clever as a donkey or as gentle as a donkey He then leaves a message for all children Hee haw dear little children hee haw I hope you will never be as I was when I was young      **Gentle Donkey** ,1996-06      **Small One** Deborah Candler,2021-12-10 Small One always believed that he was the least of all the donkeys But this Christmas a gentle stranger comes to Donkey Co looking for a very special donkey for a very special task When Small One is chosen he never imagined how his donkey life would be changed forever
