From the legendary dance critic Deborah Jowitt *Errand into the Maze* is the definitive biography of the visionary dancer and choreographer Martha Graham. In the pantheon of American modernists few figures loom larger than Martha Graham. One of the greatest choreographers ever to live, Graham pioneered a revolutionary dance technique, primal, dynamic and rooted in the emotional life of the body that upended traditional vocabulary and shaped generations of dancers and choreographers across the globe. Over her sweeping career she founded what is now the oldest dance company in the country and produced nearly two hundred ballets, many of them masterpieces. And along the way she engaged with the major debates, events and ideas of the twentieth century, creating works that cut to the core of the human experience. *Time* magazine's Dancer of the Century and the first dancer and choreographer to be awarded the Presidential Medal of Freedom, Graham was a visionary artistic force and an international cultural figure; hers was the iconic face of what came to be known as modern dance. From the renowned dance writer and former longtime critic for *The Village Voice*, Deborah Jowitt, *Errand into the Maze* draws on more than a decade of firsthand research to deliver the definitive portrait of this titan. Beginning with Graham's childhood in Allegheny, Pennsylvania, and her early studies at the Denishawn School, weaving in her offstage adventures, including her relationship with her dancer and muse Erick Hawkins, and chronicling her retirement from dancing at age seventy-five and her remarkably productive final years, this elegant, empathetic biography portrays the artist in all her passionate complexity. Most important, Jowitt places Graham's creations at the heart of her story. Her works, brimming with raw intensity, are intimately linked with their creator, who played the heroine in almost all that she choreographed: Joan of Arc, Jocasta, Clytemnestra, and Judith, among others. In this volume, Graham is center stage once more, and Jowitt casts a brilliant spotlight on her life and work.

Dancing in the Blood Edward Ross Dickinson, 2017-07-14 This is a remarkable account of the revolutionary impact of modern dance on European cultural life in the early twentieth century. Edward Ross Dickinson uncovers modern dance's place in the emerging mass culture of the modern metropolis, sufficiently ubiquitous and high profile to spark media storms, parliamentary debates, and exasperated denunciations even from progressive art critics. He shows how modern dance spoke in multiple registers, as religious and as scientific, as redemptively chaste and scandalously sensual, as elitist and popular. He reveals the connections between modern dance and changing gender relations and family dynamics, imperialism, racism, and cultural exchanges with the wider non-European world and new conceptions of selfhood. Ultimately, the book finds in these complex and often contradictory connections a new way of understanding the power of modernism and modernity and their capacity to revolutionize and transform the modern world in the momentous, creative, violent middle decades of the twentieth century.
