#### Soccer Player Positions

Defenders: These players are responsible for preventing the opposing team from scoring. They typically play in the middle of the field.

**Forwards:** These players focus on scoring goals. They start the game on the midfield line (the line that divides the field in half). During the game, these players typically go as far forward as the opponent's goal line (the end of the field). They do not usually get much closer to their own goal than the midfield line.

#### Soccer Player Positions

**Sweepers:** Sweepers are the last defensive players before a ball reaches a goalkeeper. They play just in front of the goalie. They defend the goal the entire width of the field and work between the goal line and the midfield. They can throw a ball kicked out of bounds.

**Goalie:** These are the only players allowed to touch the ball with their hands when the ball comes into the goal box. They try to block the ball from making it into the net and stay close to the goal to prevent the opposing team from scoring. They typically play inside the goal box and

There are 11 players on a soccer team. The others fall into the fielders, defenders, or a goalkeeper. The goalkeeper is the only player assigned to the right-hand-side of the field. The offensive and defensive players are not allowed to touch the ball with their hands. For more information and to play, see <https://www.soccer.com>
