Talking Back To Poems A Working Guide For The Aspiring Poet:

Talking Back to Poems Daniel Alderson, 1996 By focusing on the simple tools and methods used by poets across time TALKING BACK TO POEMS teaches a poetic craft accessible to all would be poets Author Daniel Alderson uses this same method in teaching high school students from diverse backgrounds to write with a grace and style reminiscent of their favorite poets by mimicking an element of sound structure imagery or meaning Teaching Poetry Writing Tom C. Hunley, 2007-01-01 Teaching Poetry Writing A Five Canon Approach is a comprehensive alternative to the full class workshop approach to poetry writing instruction In the five canon approach peer critique of student poems takes place in online environments freeing up class time for writing exercises and lessons based on the five canons of classical rhetoric invention arrangement style memory and delivery *Learning the Secrets of English Verse* David J. Rothman, Susan Delaney Spear, 2022-08-09 This textbook teaches the writing of poetry by examining all the major verse forms and repeating stanza forms in English It provides students with the tools to compose successful lines of poetry and focuses on meter including free verse rhythm rhyme and the many other tools a poet needs to create both music and meaningfulness in an artful poem Presenting copious examples from strong poets of the past and present along with many recent student examples all of which are scanned each chapter offers lessons in poetic history and the practice of writing verse along with giving students a structured opportunity to experiment writing in all the forms discussed In Part 1 Rothman and Spear begin at the beginning with Anglo Saxon Strong Stress Alliterative Meter and examine every major meter in English up to and including the free verse forms of modern and contemporary poetry Part 2 presents a close examination of stanza forms that moves from the simple to the complex beginning with couplets and ending with the 14 line Eugene Onegin stanza The goal of the book is to give students the essential skills to understand how any line of poetry in English may have been composed the better to enjoy them and then also write their own the keys to the treasure chest Rothman and Spear present a rigorous curriculum that teaches the craft of poetry through a systematic examination and practice of the major English meters and verse forms Under their guidance students hone their craft while studying the rich traditions and innovations of poets writing in English Suitable for high school students and beyond I studied with Rothman in graduate school and went through this course with additional scholarly material This book will help students develop a keen ear for the music of the English language Teow Lim Goh author of *Islanders* **Poetry across the Curriculum**, 2018-09-24 The present volume is the result of a pilot study and a workshop at Queensborough Community College that tried to integrate and discussed poetry as a new method of writing intensive pedagogy across the curriculum Educators from several different disciplines Art and Design Biology English History Philosophy and Sociology describe such methods and their teaching experiences in the classroom and highlight how poetry has been and could be used for fruitful teaching and learning across the curriculum The interdisciplinary pilot study and the discussions at the workshop which are represented by the chapters in the present volume consequently emphasize the
