*Talking About Sex* Rose E. Graber, 2019-09-25 If you've been looking for a Bible study on Sexuality then this is the book for you Sexuality has been a divisive issue in many churches Many of us want to be faithful Christians but aren't sure what to do with Biblical law and sexuality Christians struggle with the issues of sexuality that exist in our churches today Non-Christians are curious about what the Bible says and does not say on the issue of sexuality Many struggle with what to do with troubling rules in the Bible and whether they should just abandon their faith Taking a sweep across the whole Bible in handy lessons with questions and comparison charts Rose helps you look at this controversial subject with room for conversation and airing of different understandings What is sin What saves us Are relationships more important or the following of the Law And what is the Law for anyway Here is a book that does not rely on anything but the text of the Bible itself Here is a way of reading the Bible that we can all live with Some readers have said Not everything is as black and white as we may have been led to think This study definitely challenges us to be open to listen and not judge harshly There are a variety of ways of reading the Scripture as a rule book as history as science as God's infallible inerrant scripture somehow passed word for word through the brains and pens of Moses and others I am coming to see Scripture as an unfolding story of people of God trying to make sense of the world and being guided by the Spirit though often imperfectly to the ultimate revelation of God in Jesus Christ
