**Story Behind the Book** This book sprang from a premarital class that Cindy and I taught in the mideighties We were honestly just trying to convey information without boring our students to sleep The class was a tremendous success When Gary Smalley caught wind of it and encouraged me to shape my thoughts into a book I was somewhat skeptical Having hardly recovered from all the books I had to read in seminary I didn't want to write one much less wish the burden of reading on any other poor soul But when Don Jacobson convinced me that I could offer readers a new perspective on their patterns of family conflict we published the first edition of this book and I am still teaching its content Now this revision specifically meets today's audience

Villamere, 2017-05-13 This quirky ode to a quirky land is a humorous nostalgia trip and a fun Canadian history lesson couched in a hipster quiz book If you've ever wondered Why is the inuksuk more revered than Wheelchair Jimmy Does the iconic beaver really represent us better than The Littlest Hobo Is everyone going canoeing without me or is canoeing way less of a thing than it's made out to be then this book is for you Is Canada even real It's a question that's being asked more and more thanks to our waterproof see through supposedly maple scented currency and our improbably hot prime minister's assertion that Santa lives here In the age of Google Maps and factcheck how could the existence of Canada be questioned And yet how could a nation that's the home of toboggans Drake and KD exist in the same realm as say Belgium or Niger Is Canada Even Real examines the cultural factors behind the twenty first century monolithic myth of Canada a nation that is lovable and real if only in your imagination
