Talking With Christ:

199 Treasures of Wisdom on Talking with God Barbour Publishing,2007-01-01 Widely recognized as one of Christendom's foremost authorities on prayer the South African theologian Andrew Murray wrote prolifically on the deeper spiritual life 199 Treasures of Wisdom on Talking to God is drawn from Murray's writings relating to communion with God explaining the what when why and how of prayer **Talking about God** Stephen Saccone,Cheri Saccone,2018 Evangelism is intimidating But talking is natural a vital part of every meaningful relationship you've ever had Steve and Cheri Saccone demonstrate that talking about God is simple when we commit first to loving and listening to our friends For people who want their friends to know Jesus Talking about God offers refreshing portraits of natural organic God directed conversations that honor the people we love Page 4 of cover *Talking to God* Wayne R. Spear,2002 Author and Seminary professor Wayne Spear teaches that men and women who are in a relationship with their Creator will be men and women who pray He then looks to the Bible for answers about how and why to talk to God **Holy Conversation** Richard Peace,2006-05-22 Richard Peace teaches you how to engage in easy and comfortable conversation about the good news of Jesus Explaining the gospel in plain language and offering practical suggestions for sharing your faith with friends neighbors and colleagues he provides twelve study and discussion sessions perfect for small groups to work through and try out together

Conversation With Christ Peter Thomas Rorhbach,Aeterna Press,2009-05 THE WORLD has changed in many ways since the initial publication of this book but the fact that it continues to be published in edition after edition over the years suggests that there might very well be something quite changeless about what the book discusses *Walking and Talking with Jesus One Day at a Time* Pauline Romano,2020-03-10 I have always loved writing poetry and I have always written poems for my family and friends for different special occasions in a rhyming format But ever since I was baptized and became a Christian I felt this urge in my heart to put into words how good it makes me feel as I talk with Jesus every day I read my Bible every day and I love the New Testament I always read a small booklet called Our Daily Bread which has scriptures and a short one page story for each day of the month I was inspired by this little book I really enjoy reading it I'm hoping my book will make it easier for the working people to get in a little time to talk to our Lord and Savior every day On their way to work they ride the bus or if they carpool or maybe even during their lunchbreak I also hope to reach retired people who might be at home alone and might find some comfort by reading my book It might also help them learn where a few passages are in the Bible *The Conversations of Jesus* Simon J. Kistemaker,2004-10-01 Through Scripture and spoken word Jesus continues to attract millions of followers today In many ways those who seek Christ now differ little from those whose stories we learn in the Gospels Peter Nicodemus Mary the Samaritan leper even Judas Professor Simon J Kistemaker has spent his professional life studying the words and actions of those who spent time with Jesus In *The Conversations of Jesus* he offers a glimpse into the lives of those who were touched by encounters with Jesus Christ Readers will find much in common with

these first century people including their feelings of inadequacy confusion and joy at meeting the Savior Ideal for laypersons and pastors The Conversations of Jesus helps readers strengthen their walks with Christ as they learn about others who have walked this path before

You Can Hear the Voice of God Steve Sampson,2015-03-10 When you talk to God do you ever feel as if you are not getting through You re not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it s truly God talking and not my own thoughts But here s the good news Hearing God is simpler than you think It s possible to have a relationship with God that involves both speaking and listening In fact it s God s desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you d hear God s voice but expecting to hear it Sampson s uncomplicated practical perspective will help you cultivate the two way conversation with God you ve always longed for Before long you ll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don t settle for a one sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God s still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J Chironna M A Ph D Church on the Living Edge Orlando Florida

Conversations with Christ John Philip Newman,1900

Hearing God in Conversation Sam Williamson,2016-06-27 I picked it up out of curiosity and I couldn t put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God s voice and offers a hopeful supposition God is always speaking we ve just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God s questions and how to hear God s voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks

Prayer Is Simply Talking to God Pauline Adongo,2016-12-20 A good number of Christians shy away from praying because of misconceptions and fears they have about prayer Most are inundated with misinformation and false beliefs about what qualifies as a good prayer This book was birthed out of a deeper desire and hunger for each believer to recognize the

power of prayer that they can institute and practice independently Prayer itself as well as the approach to prayer and attitude towards prayer are simplified in this book granting readers the freedom to pray Prayer when rendered to the Holy Spirit produces more Among the key topics that are discussed in this book are Aspects of prayers Common misconceptions about prayer Benefits of prayer Holy Spirit led prayer the role of the Holy Spirit in prayer Praying from a victorious position in spiritual warfare How to pray while waiting for the answer How to incorporate prayer in daily routine All of these have been shared so as to free the reader to simply talk to God How the Body of Christ Talks C. Christopher Smith,2019-04-16

In today s highly charged social and political environment we often don t know how to talk well with others especially with people whose backgrounds differ from our own C Christopher Smith coauthor of the critically acclaimed and influential *Slow Church* addresses why conversation has become such a challenge in the 21st century and argues that it is perhaps the most needed spiritual practice of our individualistic age Smith likens practicing conversation to the working of the human body Bodies are wondrous symphonies of diverse intricate parts striving for our health and our health suffers when these parts fail to converse effectively Likewise we must learn to converse effectively with those who differ from us in the body of Christ so we can embody Christ together in the world In community we learn what it means to belong to others and to a story that is bigger than ourselves Smith shows how church communities can be training hubs where we learn to talk with and listen to one another with kindness and compassion The book explores how churches can initiate and sustain conversation offers advice for working through seasons of conflict suggests spiritual practices and dispositions that can foster conversation and features stories from several congregations that are learning to practice conversation **Prayer** Esther A. Adekunle,Julius O. Adekunle,2006-05-12 *The Practical Art of Spiritual Conversation* James Harrison Shultz,David Rogers,2021-03-31

The Practical Art of Spiritual Conversation is about the art of when if and how to engage in a spiritual conversation The whens and the ifs inform the how Christians can be so concerned with how to share the gospel that they often fail to consider where the person is spiritually and when or even if they should share the gospel To be sure the Scriptures are clear that followers of Christ must spread the good news Yet there are times when sharing the gospel would be undeniably inappropriate How then do gospel centered evangelistic Christians discern when to share Christ or when to stay silent What determines when and if someone is even ready to hear the gospel How does one meaningfully engage a person who has already accepted the gospel Refined through tens of thousands of spiritual encounters this book provides a helpful framework for discerning where a person is spiritually and how to encourage each person to take a step toward Christ regardless of where they may presently be in their faith journey You will be equipped in the practical art of spiritual conversation so that you can meaningfully encourage every person to take a step toward Christ **Talking to Jesus** Jeannie Blackmer,2017-09-25

A tax collector hears the call of the Messiah and leaves behind his profession to follow him Terrified men aboard a tempest tossed boat beg Jesus to save them from the storm A ruler pleads for his young daughter to be healed after she has already died These stories

and more are familiar to Christians around the world Modern believers who value their prayer lives look back to these people and wonder what it must have been like to talk to Jesus face to face In each conversation presented here the Bible tells of a Lord and Savior who cares so much for his children that he meets them where they are and addresses every concern they bring him just as he does when we pray today Talking to Jesus retells these stories with enough imaginative detail to convince readers of the humanity of Jesus s followers like believers today they struggled with both faith and unbelief When seen with a fresh perspective they are more than familiar biblical figures They re real people who aren t perfect but believe Jesus can do the impossible These early conversations with Jesus point the way for modern believers to engage more authentically with him in prayer

Talking to God Thomas L. Constable,2005-01-13 Why a theology of prayer Because counterfeit prayer abounds we need Scripture s guidance writes Thomas Constable Praying as God desires requires considering what God has revealed about it As we give prayer our careful attention we gain greater understanding of what he intends it to be Constable details the different forms of communication God invites us to use He identifies the counterfeits that pass for prayer discusses the conditional nature of prayer and explains why some prayers seem to go unanswered
