Talking To God:

Talking to God Wayne R. Spear, 2002 Author and Seminary professor Wayne Spear teaches that men and women who are in a relationship with their Creator will be men and women who pray He then looks to the Bible for answers about how and why to talk to God 199 Treasures of Wisdom on Talking with God Barbour Publishing, 2007-01-01 Widely recognized as one of Christendom's foremost authorities on prayer the South African theologian Andrew Murray wrote prolifically on the deeper spiritual life 199 Treasures of Wisdom on Talking to God is drawn from Murray's writings relating to communion with God explaining the what when why and how of prayer **Talking to God** Thomas L. Constable, 2005-01-13 Why a theology of prayer Because counterfeit prayer abounds we need Scripture's guidance writes Thomas Constable Praying as God desires requires considering what God has revealed about it As we give prayer our careful attention we gain greater understanding of what he intends it to be Constable details the different forms of communication God invites us to use He identifies the counterfeits that pass for prayer discusses the conditional nature of prayer and explains why some prayers seem to go unanswered **Talking to God** Donald Guy, 2015-04-15 Talking to God is an inspirational daily devotional book written by Donald Guy Each day you will experience the Holy Spirit through the stories he shares and through the revelations that touch your soul This book will truly advance God's Kingdom **Talking to God** Naomi Levy, 2007-12-18 After the publication of her best selling book *To Begin Again* Naomi Levy received a flood of feedback from readers telling her how much the prayers in it had helped and moved them Many urged her to publish a collection of her prayers and now she has In a time when we all need inspiration comfort and connection Talking to God will help us reclaim prayer as an integral part of our lives making it as natural and uninhibited as talking to our loved ones Prayer is essential to the lives of millions but many of us are searching for ways to supplement traditional prayers with ones that are less formal and more intimate Written in a simple and direct style the prayers in this book and the wonderful stories that accompany them are for people of all faiths and for all occasions large and small Naomi Levy's personal prayers address the anxieties and roadblocks we all face in contemporary life There are prayers for facing a new day realizing one's potential at work celebrating an anniversary or birthday and going to sleep at night And there are prayers for the more profound occurrences in life love and marriage pregnancy and childbirth illness loss and death Rabbi Levy's words imbued with grace and empathy touch on the entire range of human experience Many of us will recognize ourselves in her prayers and stories and will be comforted by them as well as challenged and uplifted Perhaps most important they are stepping stones for us to go on and create our own prayers to find meaning in our own lives and to begin or renew our own relationships with God From the Hardcover edition Prayer Is Simply Talking to God Pauline Adongo, 2016-12-20 A good number of Christians shy away from praying because of misconceptions and fears they have about prayer Most are inundated with misinformation and false beliefs about what qualifies as a good prayer This book was birthed out of a deeper desire and hunger for each believer to recognize the power of prayer that they can institute

and practice independently Prayer itself as well as the approach to prayer and attitude towards prayer are simplified in this book granting readers the freedom to pray Prayer when rendered to the Holy Spirit produces more Among the key topics that are discussed in this book are Aspects of prayers Common misconceptions about prayer Benefits of prayer Holy Spirit led prayer the role of the Holy Spirit in prayer Praying from a victorious position in spiritual warfare How to pray while waiting for the answer How to incorporate prayer in daily routine All of these have been shared so as to free the reader to simply talk to God *Talking to God- Using Ten Psalms* Elmer Towns,2024-01-02 **Introverts Anonymous: Talking to God**
