Courage Within Dr. Richard Hugh Wildman, 2025-04-09 There's a moment quiet and unannounced when something inside you shifts You can't quite name it It's not a breakdown not exactly It's more of a slow unravelling The patterns you've repeated the fears you've carried the expectations you've bent yourself to fit they no longer hold They crack And in the space between what was and what might be a small voice speaks up Not a loud voice Not demanding But steady Sure And that voice says There's more to you than this That voice is courage But not the kind we were taught to recognize Not the battle hardened loud or obvious kind Not the movies and medals kind This courage is quieter It lives inside of you It doesn't need a spotlight it needs your attention This is the courage to break cycles you've inherited to speak truths you've silenced to choose yourself after years of abandoning your needs for others This is the courage to stop surviving and start living
