The Talking Tree Forest Dian Layton, 2023-08-01 Imagine an invisible Kingdom that is very, very real. It is a place where you can discover the Great King and His castle with secret towers and mysterious underground passageways. It is a place where you are invited to experience an exciting, life-changing adventure. But there is one problem, one BIG problem: dragons. Seeker was sailing on the blue waters of the Ocean of Optimism with his dad. He loved sailing with him and hearing his exciting stories, especially ones about the Talking Tree Forest. Years ago, the King had saved Seeker's dad from the Island of Despair, where he lived chained up by the awful, mean, and nasty dragons. But today was a perfect day of sailing. One day, the King sent Seeker on a mission to the Talking Tree Forest. He was excited. The King cautioned, "You may not like everything you find there. The forest has many dangers." Before long, Seeker's fun journey turned to being caught up in a Sands of Sorrow tornado where he met Grief face to face. His feelings were all bumping into each other along with swirling dragon breathing lies. Does the King save Seeker and his friends who are lost in the forest? Will they find their way back to the Straight and Narrow Path that leads to the Kingdom of Joy and Peace?
