Dept. of State,1956      Sports-Talk Radio in America Frank Hoffmann,Jack M. Dempsey,Martin J Manning,2012-12-06 An inside look at the hosts hot spots and history of sports talk radio Sports Talk Radio in America looks at major medium and small market stations across the United States that feature an all sports format with a focus on the unique personalities and programming strategies that make each station successful Broadcasters journalists and academics provide insight on how and why this media phenomenon has become an important influence of American culture examining the guy talk broadcasting approach the traditional sports emphasis approach HSOs hot sports opinions localism in broadcasting how sports talk radio builds communities of listeners and how reckless on air comments can actually build ratings For better or worse millions of mostly male listeners indulge their obsession with sports to the exclusion of virtually everything else available on the radio dial music news and political talk This unique book examines how this niche of the niche has formed a bond between its hosts and their rabid passionate and loyal audiences spinning the dial from the largest best known stations in big league markets to smaller stations in CollegeTown USA including Philadelphia s WIP The Ticket KTCK in Dallas WEEI in Boston The Team WQTM in Orlando KJR in Seattle KOZN The Zone Omaha Nebraska WGR and WNSA in Buffalo Kansas City s WHB and The Fan WFAN in New York the first all sports radio station and the blueprint for the format Sports Talk Radio in America puts you in the studio with Mike and the Mad Dog Angelo Cataldi Howard Eskin The Musers Junior Miller and George Dunham Norm Hitges John Dennis

and Gerry Callahan Dan Sileo Howard Simon and Art Wander Sports Talk Radio in America examines how stations create an environment in which listeners become part of a social group social identity and self categorization theories personality driven programming the station s commitment to local teams and their fans how exploring controversial topics beyond sports broadens station s appeal and attracts upscale affluent audience how an abundance of live play by play broadcasting creating plenty of available content college sports in a town without a major professional sports team how local sports is framed by hosts and callers the conflicted relationship between sports talk radio and the print media and much more Sports Talk Radio in America is a must read for academics and professionals working in radio television and popular culture      **Publishers'**

**Weekly** ,1877    A Treatise on Northern Ireland Brendan O'Leary,2019 The third volume of the definitive political history of Northern Ireland    The INF Treaty United States. Congress. Senate. Committee on Foreign Relations,1988    Commerce with the Universe Gaurav Desai,2013-09-24 Reading the life narratives and literary texts of South Asians writing in East Africa Gaurav Desai builds a new history of Africa s encounter with slavery colonialism migration nationalism development and globalization Rather than approach literature and culture from a nation centered perspective Desai connects the medieval trade routes of the Islamicate empire the early independence movements galvanized in part by Gandhi s southern African experiences the invention of new ethnic nationalisms and the rise of plural multiethnic nations to the fertile exchange taking place across the Indian Ocean    Rivers of Power Steven Peach,2024-02-13 Although the Creeks constitute a sovereign nation today the concept of the nation meant little to their ancestors in the Native South Rather as Steven Peach contends in Rivers of Power the Creeks of present day Georgia and Alabama conceptualized rivers as the basis of power leadership and governance in early America An original work of Indigenous ethnohistory Peach s book explores the implications of this river oriented approach to power in which rivers were a metaphor for the subregional provinces that defined the political textures of Creek country The provinces nurtured leaders who worked to mitigate dangers across the Native South including intertribal war trade dependence settler intrusion and land erosion Rivers of Power describes a system in which these headmen forged remarkably malleable coalitions within and across provinces to safeguard Creek country from harm but were in turn directed approved and contested by local townspeople and kin groups Taking a unique bottom up approach to the study of Native Americans Peach reveals how local actors guided and thwarted Indigenous headmen far more frequently and creatively than has been assumed He also shows that although the Creeks traced descent through the maternal line some became more comfortable with bilateral kinship giving weight to both the paternal and maternal lineages Fathers and sons thus played greater roles in Creek governance than Indigenous scholarship has acknowledged Weaving a new narrative of the Creeks and outlining the contours of their riverine mode of governance this work unpacks the fraught dimensions of political power in the Native South and indeed Native North America in the eighteenth and early nineteenth centuries By privileging Indigenous thought and intertribal history it also advances the

larger project of Native American history     **Doing Anthropology in Consumer Research** Patricia L Sunderland,Rita M Denny,2016-06-16 An essential new guide to the theory and practice of conducting ethnographic research in consumer environments drawing on decades of the authors own research from coffee in Bangkok and boredom in New Zealand to computing in the United States using methodologies from focus groups and rapid appraisal to semiotics and visual ethnography     [Conflict Talk in English as a Lingua Franca](#) Mayu Konakahara,2023-05-08 This volume aims to fill two gaps in pragmatic research into English as a lingua franca ELF the investigation of conflict talk and the incorporation of a multimodal perspective into the analysis of ELF interactions To this end multimodal conversation analysis is used combined with the perspective of politeness theory The author shows how interactants use multimodal resources to manage competitive overlaps disagreement and third party complaints in casual ELF conversations among friends In doing so the notion of cooperativeness is re examined and the appropriateness of an intercultural approach to analyzing multimodal resources in ELF interactions is demonstrated

**3-d Negotiation** David A. Lax,James K. Sebenius,2006-08-24 When discussing being stuck in a win win vs win lose debate most negotiation books focus on face to face tactics Yet table tactics are only the first dimension of David A Lax and James K Sebenius pathbreaking 3 D Negotiation TM approach developed from their decades of doing deals and analyzing great dealmakers Moves in their second dimension deal design systematically unlock economic and noneconomic value by creatively structuring agreements But what sets the 3 D approach apart is its third dimension setup Before showing up at a bargaining session 3 D Negotiators ensure that the right parties have been approached in the right sequence to address the right interests under the right expectations and facing the right consequences of walking away if there is no deal This new arsenal of moves away from the table often has the greatest impact on the negotiated outcome Packed with practical steps and cases 3 D Negotiation demonstrates how superior setup moves plus insightful deal designs can enable you to reach remarkable agreements at the table unattainable by standard tactics

*The Genesis Meditations* Neil Douglas-Klotz,2003 This book teaches how Jesus actually may have meditated and recreates the step by step examples the reader can follow     *Confucian Values and Popular Zen* Janine Anderson Sawada,2020-12-31 Although East Asian religion is commonly characterized as syncretic the historical interaction of Buddhist Confucian and other traditions is often neglected by scholars of mainstream religious thought In this thought provoking study Janine Sawada moves beyond conventional approaches to the history of Japanese religion by analyzing the ways in which Neo Confucianism and Zen formed a popular synthesis in early modern Japan She shows how Shingaku a teaching founded by merchant Ishida Baigan blossomed after his death into a widespread religious movement that selectively combined ideas and practices from these traditions Drawing on new research into original Shingaku sources Sawada challenges the view that the teaching was a facile merchant ethic by illuminating the importance of Shingaku mystical experience and its intimate relation to moral cultivation in the program developed by Baigan s successor Teshima Toan This

book also suggests the need for an approach to the history of Japanese education that accounts for the informal transmission of ideas as well as institutional schooling Shingaku contributed to the development of Japanese education by effectively disseminating moral and religious knowledge on a large scale to the less educated sectors of Tokugawa society Sawada interprets the popularity of the movement as part of a general trend in early modern Japan in which ordinary people sought forms of learning that could be pursued in the context of daily life     *Socioeconomic Pragmatic Variation* Larssyn

Staley,2018-07-19 On a regular basis people encounter unfamiliar uses of pragmatic features such as offers or requests with differing levels of directness or terms of address showing differing amounts of solidarity or deference Variational pragmatics is the study of such uses according to region gender age ethnicity and socioeconomic status among national and sub national varieties of pluricentric languages Despite the wide focus just outlined this volume provides the first study of pragmatic variation across different social classes using naturally occurring interactional data The discourse analyzed here was collected in over twenty restaurant service encounters spanning three price points The aim of this study is two fold to provide a potential framework for how pragmatic variables and their context can be defined using the concept of a communicative activity and to investigate socioeconomic variation in pragmatics by taking offers thanks responses and address forms as examples This study contributes both on a methodological and empirical level to the growing body of research in variational pragmatics as well as speech acts terms of address relational work and sociolinguistics
