*Blood and Steel!* Third Cavalry Museum, 2008      From transformation to combat: The First Stryker Brigade at War, 2007      *The Charge of the Heavy Brigade* M. J. Trow, 2021-11-24 Glory to each and to all and the charge that they made Glory to all three hundred and all the Brigade Everyone has heard of the charge of the Light Brigade a suicidal cavalry attack caused by confused orders which somehow sums up the Crimean War 1854 6 Far less well known is what happened an hour earlier when General Scarlett's Heavy Brigade charged a Russian army at least three times its size That fight of heroes to use the phrase of William Russell the world's first war correspondent was a brilliant success whereas the Light Brigade's action resulted in huge casualties and achieved nothing This is the first book by a military historian to study the men of the Heavy Brigade from James Scarlett who led it to the enlisted men who had joined for the queen's shilling and a new life away from the hard grind of Victorian poverty It charts the perils of travelling by sea in cramped conditions with horses panicking in rough seas It tells the story through the men who were there of the charge itself where it was every man for himself and survival was down to the random luck of shot and shell It looks too at the women of the Crimea the wives who accompanied their menfolk Best known were Florence Nightingale the lady with the lamp and Mary Seacole the Creole woman who was doctress and mother to the men But there were others like Fanny Duberly who wrote a graphic journal and Mrs Rogers who dutifully cooked and cleaned for the men of her husband's regiment the 4th Dragoon Guards      **Commanding Military Power** Ryan Grauer, 2016-07-28 This book offers a new explanation of military power highlighting the role of uncertainty in the creation of combat capabilities      **Anglo-American Support for Jordan: The Career of King Hussein** M. Joyce, 2008-04-28 This book focuses on US UK relations with Jordan for the entire period of King Hussein's reign explaining Hussein's successes and failures while emphasizing the declining influence of London and the rising influence of Washington ,      **Our Time in Vietnam** John H. Corns, John H Corns, 2009-12 Captain John Corns leads his Special Forces team into the jungles of the Central Highlands of Vietnam in 1963 There is an insurgency and he and his Green Berets have undergone extensive training for the mission of assisting the Vietnamese and Montagnard people in their fight against communist terrorism What they find is a challenge that resists rapid progress and a cause that leaves destruction and death in its wake Corns returns four years later as a major and operations officer for the Army Navy Mobile Riverine Force in the Mekong Delta The conflicting military forces are larger losses to both the insurgent Viet Cong and to American Forces are greater and the sacrifices of men around him beg the question of what will it cost to win and will it be worth the losses Now a retired Lieutenant General Corns looks back at those days as a young officer to share the worth to him of that experience his time in Vietnam with men like himself      **High-Rise Buildings** Jerry Tracy, Jack Murphy, James Murtagh, 2023-05-04 Authors Jerry Tracy Jack J Murphy and James J Murtagh invite fire chiefs fire officers firefighters fire protection engineers building management and the greater fire community to explore High Rise Buildings Understanding the Vertical Challenges as a
