**Tall Tales** Rick Steber, A tall tale begins innocently with convincing facts and a few trivial details thrown in But in the course of the story the limits of believability are stretched to the breaking point In the end we are left wondering how we could have been so naive so darn gullible America s tall tales have been handed down through generations and are tirmly rooted in character situation and landscape In the past a skillfully told yarn was a diversion from the drudgery and monotony of everyday life and tellers of tall tales were held in high regard because their stories made people laugh A tall tale is best enjoyed when told aloud Dialect intonation and gestures add to the story A pause here A shake of the head there A practiced laugh A wink a sly smile or a deadpan look provide seasoning and can communicate as much as a well placed word In our modern fast paced world dominated by instant communication changing technology and constant entertainment the tall tale is no longer considered an essential part of everyday life As a result the telling of tall tales has become a dying art form      *American Tall Tales* Adrien Stoutenburg, 1966 Here are the most robust characters in American legend Told by a poet with a poet s ear for the impact of words these American mavericks walk and talk accross the pages in a free wide way as they walked and talked accross the free wide America of pioneer days      **Tall Tales** Dorothea Langevin, 2019-03-25 Tall Tales are two collections of interactive photo poetry prose bound in one volume Each collection features twenty individual fables Each photo inspired poem is accompanied by a blank page inviting the reader to reflect spin their own tale scrapbook style True to the age old tradition of storytelling a tale only gets better over time as it is told retold and embellished Where did the tales come from Growing up woodlands were my playground and they have always held a sense of enchantment To me the trees never felt lifeless or static but were rather the beholders of history fact and legend To this day my inner child loves to listen to the whispered tales told by rustling leaves and swaying branches The unique markings of their bark and the particular features of their windblown shapes add to the sense of aliveness they are exuding The entire creation of this book process and content as well as layout came about in an inspired and inspiring journey As I ve noted in the introduction found in the center page the book was writing me rather than the other way around True to form of all my creative expression I never quite know where my adventure will take me I ve come to appreciate the unfolding of each step realizing my job is to allow to observe to witness to discover and to document what reveals itself to me It is my sincere wish that the reader will enjoy their journey of discovery as much as I have mine      **Tall Tales With Lyman the Liar, and Zoom-Boom** Joel Brown, 2018-06-25 It s harvest time on the farm Zoom Boom needs everyone to help with the harvest Lyman always tells tall tales to get out of work Zoom Boom discovers that he isn t telling the truth Lyman realizes that not telling the truth hurts everyone He promises not to tell tall
