**Developments in Psychoanalysis** Paula Heimann, Susan Isaacs, Melanie Klein, Joan Riviere, 2018-05-08

Psychoanalysis is a science evidently fore-ordained to growth and expansion and among those who have extended the scope of both theory and practice Melanie Klein holds a unique place This book is a survey of the developments in psychoanalytical knowledge resulting from her work Her main discoveries relate to the very early phases of mental life She recognized that the world of unconscious feeling and impulse which we call phantasy is the effective source of all human actions and reactions modified though they are when translated into actual external behaviour or conscious thought Although Freud first

enunciated this truth which originates in his fundamental discovery of the unconscious mind of man he left many problems still unsolved These have been brought nearer to a solution through Melanie Klein's consistent awareness of the significance of unconscious phantasy Not only students of psychoanalysis and workers in related medical fields but also practising child psychologists and the informed lay public will find this book of absorbing interest      **Encyclopedia of Homosexuality**

Pierce, 1997-12-31 How did the Greeks and Roman perceive rape How seriously was it taken and who were seen as its main victims The studies in this volume look at the social and legal realities of rape in the ancient world and also at the numerous myths of rape which themselves may reflect real behaviour and attitudes Modern readers used to a discourse which focuses on the question of a woman's or man's consent to sexual activity and treats an unwilling partner as a victim worthy of sympathy may find in ancient attitudes much that is disturbing      The Lost Life of Eva Braun Angela Lambert, 2014-09-02

Eva Braun is one of history's most famous nonentities She has been dismissed as a racist feathered headed shop girl yet sixty two years after her death her name is still instantly recognizable She left her convent school at the age of seventeen and met Hitler a few months later She became his mistress before she was twenty How did unsophisticated little Fraulein Braun twenty three years his junior hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide Were they really lovers and what were the background influences and psychological tensions of the middle class Catholic girl from Munich who shared his intimate life How can her ordinariness and apparent decency be reconciled with an unshakeable loyalty to the monster she loved She left almost no personal material or documents but her private diary and photograph albums show that her life with Hitler far from being a luxurious sinecure caused her emotional torture His chauffeur called her the unhappiest woman in Germany The Führer humiliated her in public while the top Nazis wives living in his privileged enclave on a Bavarian mountainside despised her Yet Albert Speer said She has been much maligned She was very shy modest A man's woman gay gentle and kind incredibly undemanding a restful sort of girl And her love for Hitler as she proved in the end was beyond question Eva loved the Führer not for his power nor because thanks to him she lived in luxury His material gifts were nothing compared with the one thing she really wanted his child She remained invisible and unknown a nonperson They were never seen in public together and she never saw him alone except in the bedroom yet their long relationship was a sort of marriage Angela Lambert reveals a woman the world never knew until the

last twenty four hours of her life In the small hours of April 29 1945 as Allied troops raced to capture Berlin and the bunker below the Reichskanzlei where the defeated Nazi leaders were hiding Eva Braun finally achieved her life s ambition by becoming Hitler s wife Next day they both swallowed cyanide and died instantly She was young healthy and thirty three years old Based on detailed new research this is an authoritative biography only the second life of Eva written in English
