Taming Your Turbulent Past:

The Healing Journey for Adult Children of Alcoholics Daryl E. Quick, 2009-11-21 I feel like people leave me abandoned all the time Sometimes I m so afraid for what seems like no reason I just don t seem to have any energy Why do the same thoughts keep racing through my mind I usually don t feel happy or sad If there isn t real excitement I feel bored I want to be close to people but I just never make it Do you see yourself in this list Children of alcoholic parents have suffered wounds that affect their lives for years to come They learn to protect themselves from the pattern of hurt that they have come to expect in life The results of such constant vigilance against pain can range from ulcers sleeplessness addictions depression and anger to a string of broken relationships But adult children of alcoholics can go through a healing journey that will help them recover from their painful past and be set free to live as God intended Daryl Quick takes readers step by step through new ways of feeling thinking and acting that will replace the ineffective patterns they have been locked into for years With moving stories and helpful exercises Quick shows how adult children of alcoholics can find hope and healing A book for those who want to recover from their past
