Yesterday, Today Was Tomorrow Philemon B Waters, 2013-07-16 This quasi autobiography began when I concluded my nightly prayer in The Home Enough is enough Please take me back God My intention was a one way ticket to heaven However God sets me straight Luke you have never been to heaven Believe me I AM never forgets a face But God does take me back back to the day I was born eventually However whoever was in charge ignored any close consideration for chronology duration of events or individuals actually involved was ignored Nevertheless I got what every man woman and child covets and dying to get A second first chance [African American Sites in Florida](#) Kevin M. McCarthy, 2007 Over 400 years ago in 1528 an African named Estevanico first set foot in Florida near present day Tampa as part of a Spanish exploration party Since then African Americans in Florida have continued to set examples of courage perseverance and leadership In this book you will read about some people you may already know about such as Ray Charles and Carrie Pittman Meek and many others whose lives are also inspirational even if their names are not so familiar Though many African Americans started life in poverty and had to fight racial injustice their stories prove that the desire to succeed can overcome many obstacles They followed their dreams to become teachers artists soldiers lawyers nurses sports stars authors and many other occupations Their important contributions to the state and to the country enrich us all This book also includes detailed descriptions of the 141 historical and cultural sites on the Florida Black Heritage Trail and a calendar of significant dates in the history of African Americans in Florida Publisher description *The Book Lover's Guide to Florida* Kevin M. Love chronicles the unravelling of the dream that once shone so brightly homing in on the complex playing out of Elvis relationship with his Machiavellian manager Colonel Tom Parker It s a breathtaking revelatory drama that for the first time places the events of a too often mistold tale in a fresh believable and understandable context Elvis changes during these years form a tragic mystery that Careless Love unlocks for the first time This is the quintessential American story encompassing elements of race class wealth sex music religion and personal transformation Written with grace sensitivity and passion Careless Love is a unique contribution to our understanding of American popular culture and the nature of success giving us true insight at last into one of the most misunderstood public figures of our times *Digital Ethnography*
