Tan Sandy Silence 1st Edition:

A Tan and Sandy Silence John D. MacDonald, 2013-07-16 From a beloved master of crime fiction A Tan and Sandy Silence is one of many classic novels featuring Travis McGee the hard boiled detective who lives on a houseboat Travis McGee is unnerved when he receives an unexpected guest real estate developer Harry Broll who is convinced that McGee is hiding his missing wife Angry and jealous Harry gets off a shot before McGee can wrestle his gun away The thing is McGee hasn't seen or heard from Mary Broll in three years and it isn't like her to keep troubles to herself if she's alive to tell them As a young writer all I ever wanted was to touch readers as powerfully as John D MacDonald touched me Dean Koontz McGee is a heartbeat away from crisis He's getting older Lady Jillian Brent Archer is trying to make him settle down and he's just been shot without fair warning Nervous that he's losing his touch McGee decides to get Harry off his case and prove he's still in top form all in one fell swoop McGee's search for Mary takes him to Grenada where he's soon tangling with con artists and terrifying French killers not to mention a slew of mixed motives No longer wallowing in self pity McGee has more pressing concerns like saving his own skin Features a new Introduction by Lee Child *Annual Register of Book Values* Annual register of book values. Longtime Harrison readers and collectors Gregg Orr and Beef Torrey have amassed a thorough list of the author's wide ranging work annotated and arranged by genre to provide a full view of the breadth of Harrison's accomplishment. This work contains more than sixteen hundred citations of writings by and about Harrison including his fiction, poetry, essays, interviews, screenplays, criticism and reviews; it also features photographs of his books, dust jackets and broadsides. With a foreword by Harrison penned especially for this seminal volume and an introduction by writer and scholar Robert DeMott, this is the definitive bibliographical study of a major figure in late twentieth and early twenty first century American letters.

Cracking the Hard-Boiled Detective Lewis D. Moore, 2015-01-24. The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s, a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances. Though a relatively recent arrival, the hard boiled detective has undergone steady development and assumed diverse forms. This critical study analyzes the character of the hard boiled detective from literary antecedents through the early 21st century. It follows change in the novels through three main periods: the Early, roughly 1927-1955, during which the character was defined by such writers as Carroll John Daly, Dashiell Hammett and Raymond Chandler; the Transitional, evident by 1964 in the works of John D. MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen, Bill Pronzini and others; and the Modern, since the late 1970s during which such writers as Loren D. Estleman, Liza Cody, Sara Paretsky, Sue Grafton and many others have expanded the genre and the detective character. Themes such as violence, love and sexuality, friendship, space and place and work are examined throughout the text. The Triumph of the Thriller Patrick Anderson, 2007-02-06. There's been a revolution in American popular fiction. The writers who dominated the bestseller lists a generation ago with blockbuster novels about movie stars and exotic foreign lands have been replaced by a new generation writing a new kind of bestseller, one that hooks readers with crime, suspense and ever increasing violence. Patrick Anderson, *The Washington Post's* man on the thriller beat, calls this revolution the triumph of the thriller and lists among its stars Thomas Harris, Michael Connelly, George Pelecanos, Dennis Lehane, Sue Grafton and Elmore Leonard. In his provocative, caustic and often hilarious survey of today's popular fiction, Anderson shows us who the best thriller writers are and the worst. He shows how Michael Connelly was inspired by Raymond Chandler, how George Pelecanos toiled in obscurity while he mastered his craft, how Sue Grafton created the first great woman private eye and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover.

Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers He casts a cold eye on Tom Clancy's militaristic techno thrillers and praises Alan Furst and Robert Littell as world class spy novelists He examines the pioneering role of Lawrence Sanders the offbeat appeal of Dean Koontz the unprecedented success of The Da Vinci Code and the emergence of the literary thriller Most of all Anderson demands that the best of these novelists be given their due not as genre writers but as some of the most talented men and women at work in American fiction Don't trust the literary elites to tell you what to read he warns make up your own minds The Triumph of the Thriller will convince many readers that we've entered an important new era in popular fiction This book can be your guide to it
