Tanakh Akhshav:

Jewish Concepts of Scripture Benjamin D. Sommer, 2012-01-01 What do Jews think scripture is How do the People of the Book conceive of the Book of Books In what ways is it authoritative Who has the right to interpret it Is it divinely or humanly written And have Jews always thought about the Bible in the same way In seventeen cohesive and rigorously researched essays this volume traces the way some of the most important Jewish thinkers throughout history have addressed these questions from the rabbinic era through the medieval Islamic world to modern Jewish scholarship They address why different Jewish thinkers writers and communities have turned to the Bible and what they expect to get from it Ultimately argues editor Benjamin D Sommer in understanding the ways Jews construct scripture we begin to understand the ways Jews construct themselves

Agnon's Moonstruck Lovers Ilana Pardes, 2014-02-01 Agnon's Moonstruck Lovers explores the response of Israel's Nobel laureate S Y Agnon to the privileged position of the Song of Songs in Israeli culture Standing at a unique crossroads between religion and secularism Agnon probes the paradoxes and ambiguities of the Zionist hermeneutic project In adopting the Song Zionist interpreters sought to return to the erotic pastoral landscapes of biblical times Their quest for a new uplifting secular literalism however could not efface the haunting impact of allegorical configurations of love With superb irony Agnon's tales recast Israeli biblicism as a peculiar chapter within the ever surprising history of biblical exegesis

Art and the Artist in the Contemporary Israeli Novel Joseph Lowin, 2016-12-21 Art and the Artist in the Contemporary Israeli Novel presents studies of eight contemporary works of Israeli fiction by eight major Israeli novelists It deals with a society where drama lived in reality but also in the mind is a central moving force What this book shows is the ways these texts deal with the themes of creativity and the creation of a work of art and with the way art and artists are portrayed in a culture that is often perceived as being otherwise preoccupied The book involves close and painstaking readings of these novels and travels along a broad spectrum of themes It also shows how these texts engage in dialogue with texts of the Jewish tradition on the one hand and on the other hand with each other Two major points of the book are its emphasis on the work as literary art and the way the same themes often find their way into the varied works created by this literary generation The book notes two tendencies among Israeli writers that there is a great urge to tell their story and the story of Israel and that to make clear not only what is happening in these novels but also what is going on in their works of art the novelist take the leisurely route of literary emerging slowly but surely leading the reader to see how art emerges from the most prosaic of events Despite its easygoing tone the book still claims to be a serious book dealing with serious issues both ethical and metaphysical One of the cases this book endeavors to make is that one of the main goals of contemporary Israeli writers is to insert their works of art via a midrashic mode of writing in which previous texts are constantly being re written and being made modern as links in the great chain of the Jewish textual tradition These novels often refer back to biblical tales and to rabbinic ways of reading them But they also demonstrate how the writers themselves and their books

and are also a part of that tradition Most of all however these writers are supremely aware that they are artists and that they have a particular responsibility to their art The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel,2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading *Glory and Agony* Yael Feldman,2010-09-01 *Glory and Agony* is the first history of the shifting attitudes toward national sacrifice in Hebrew culture over the last century Its point of departure is Zionism s obsessive preoccupation with its haunting primal scene of sacrifice the near sacrifice of Isaac as evidenced in wide ranging sources from the domains of literature art psychology philosophy and politics By placing these sources in conversation with twentieth century thinking on human sacrifice violence and martyrdom this study draws a complex picture that provides multiple sometimes contradictory insights into the genesis and gender of national sacrifice Extending back over two millennia this study unearths retellings of biblical and classical narratives of sacrifice both enacted and aborted voluntary and violent male and female Isaac Ishmael Jephthah s daughter Iphigenia Jesus *Glory and Agony* traces the birth of national sacrifice out of the ruins of religious martyrdom exposing the sacred underside of Western secularism in Israel as elsewhere **Continuity and Change in Political Culture** Yael S. chapter in an integrative essay in the Epilogue *Interreligious Theology* Ephraim Meir, 2015-08-17 This book is the first greater attempt to construct a dialogical theology from a Jewish point of view It contributes to an emerging new theology that promotes the interrelatedness of religions in which encounter openness hospitality and permanent learning are central The monograph is about the self and the other inner and outer own and strange about borders and crossing borders and about the sublime activities of passing and translating Meir analyses and critically discusses the writings of great contemporary Jewish dialogical thinkers and argues that the values of interreligious theology are moored in their thoughts In his view interreligious dialogue supposes attentive listening humility a critical attitude towards oneself and others a good amount of self relativism and humor It is about proximity dialogical reading engagement and interconnectedness The Jewish Quarterly ,1988 **Jewish Quarterly** ,1988 **The Prophecy That Is Shaping History** Jon Mark Ruthven, Jon Ruthven, 2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entity even to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 36-44 provides the scenario for numerous best selling books in both the English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate their readers to prepare for it The Prophecy That Is Shaping History represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel's prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel's prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness **The Full Severity of Compassion** Chana Kronfeld, 2015-12-09 Yehuda Amichai 1924-2000 was the foremost Israeli poet of the twentieth century and an internationally influential literary figure whose poetry has been translated into some 40 languages Hitherto no comprehensive literary study of Amichai's poetry has appeared in English This long awaited book seeks to fill the gap Widely considered one of the greatest poets of our time and the most important Jewish poet since Paul Celan Amichai is beloved by readers the world over Beneath the carefully crafted and accessible surface of Amichai's poetry lies a profound complex and often revolutionary poetic vision that deliberately disrupts traditional literary boundaries and distinctions Chana Kronfeld focuses on the stylistic implications of Amichai's poetic philosophy and on what she describes as his acerbic critique of ideology She rescues Amichai's poetry from complacent appropriations showing in the process how his work obliges us to rethink major issues in literary studies including metaphor intertextuality translation and the politics of poetic form In spotlighting his deeply egalitarian outlook this book makes the experimental iconoclastic Amichai newly compelling

containing over 800 entries providing information on the theology people historical events institutions and movements related to the religion of Judaism *Arabic and Hebrew Love Poems in Al-Andalus* Shari Lowin, 2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain Post-Holocaust Jewish-Christian Dialogue Alan L. Berger, 2014-12-23 This volume sheds light on the transformed post Holocaust relationship between Catholics and Jews Once implacable theological foes the two traditions have travelled a great distance in coming to view the other with respect and dignity Responding to the horrors of Auschwitz the Catholic Church has undergone a reckoning of the soul beginning with its landmark document *Nostra Aetate* and embraced a positive theology of Judaism including the ongoing validity of the Jewish covenant Jews have responded to this unprecedented outreach especially in the document *Dabru Emet* Together these two Abrahamic traditions have begun seeking a repair of the world The road has been rocky and certainly obstacles remain Nevertheless authentic interfaith dialogue remains a new and promising development in the search for a peace 50 Jahre Martin Buber Bibel Daniel Krochmalnik, Hans-Joachim Werner, 2014 □□□□ □□□ Meir
