Tangled Garden The Art Of J E H Macdonald:

The Tangled Garden Paul Duval,1978 *J.E.H. MacDonald, Designer* Robert Stacey,Hunter Bishop,1996-10-15 The design work of Group of Seven painter J E H MacDonald was not only central to his personal artistic development but inseparable from the graphic design industry in Toronto from the 1890s to the 1930s the golden age of book and magazine illustration This connection has been largely overshadowed by his painting Now this splendid book tracing MacDonald s involvement with fine printing book design and commercial art raises the profile of graphic design as a formative influence in Canadian visual culture The Tangled Garden James Edward Hervey MacDonald,Paul Duval,1978 The Tangled Garden Richard Stursberg,2019-04-09 The emergence of Facebook Amazon Apple Netflix and Google the FAANGs has created an unprecedented challenge to Canada s news television and film businesses In this book Richard Stursberg offers a brief account often based on his insider s experience of how Canada s cultural industries were built And he explains that independent Canadian media and cultural industries are unlikely to survive due to the large share of ad dollars and audience attention captured by the big digital media companies Faced with similar challenges many governments around the world have responded by protecting and strengthening their national cultural life Canada stands out for its passivity Richard Stursberg identifies the path that would assure a strong continued news media and a reasonable share of audiences for Canadian creative work He warns that time for action is short and many more media outlets will soon disappear like the thirty six newspapers shut down by the Toronto Star Postmedia deal in 2017 Richard Stursberg s knowledge and experience across a wide range of cultural organizations in Canada make this an important and informative book on a topic of vital significance At the same time this is an engaging account for any reader who wants to continue to enjoy Canadian stories and hear Canadian voices in the media and on our screens A.Y. Jackson Wayne Larsen,2009-09-21 A founding member of the Group of Seven Jackson portrayed the Canadian landscape in a bold and inventive manner illustrating a key chapter in Canadas coming of age *In the Eyes of Seven: A Journey Through Canada's Art and History* Pasquale De Marco,2025-04-10 Embark on a captivating journey through the lives and works of the Group of Seven a collective of extraordinary Canadian artists who revolutionized the nation s artistic landscape Within the pages of this book uncover the stories behind their bold strokes and vibrant palettes as they transformed the rugged beauty of Canada into timeless masterpieces From the windswept prairies to the majestic mountains from the sparkling lakes to the crashing waves of the Atlantic the Group of Seven captured the essence of a nation still in its infancy forging a new aesthetic rooted in the raw energy of their homeland Their canvases became a testament to the boundless potential and indomitable spirit of the Canadian people Beyond their artistic achievements the Group of Seven played a pivotal role in shaping the cultural fabric of Canada As ardent advocates for the preservation of Canada s natural heritage they used their art as a powerful voice to raise awareness about the importance of conservation and environmental stewardship Their works became a symbol of national

Beyond Wilderness John O'Brian, Peter White, 2017-12-30 The great purpose of landscape art is to make us at home in our own country was the nationalist maxim motivating the Group of Seven s artistic project The empty landscape paintings of the Group played a significant role in the nationalization of nature in Canada particularly in the development of ideas about northernness wilderness and identity In *Beyond Wilderness* contributors pick up where the Group of Seven left off They demonstrate that since the 1960s a growing body of both art and critical writing has looked beyond wilderness to re imagine landscape in a world of vastly altered political technological and environmental circumstances By emphasizing social relationships changing identity politics and issues of colonial power and dispossession contemporary artists have produced landscape art that explores what was absent in the work of their predecessors *Beyond Wilderness* expands the public understanding of Canadian landscape representation tracing debates about the place of landscape in Canadian art and the national imagination through the twentieth century to the present Critical writings from both contemporary and historically significant curators historians feminists media theorists and cultural critics and exactly reproduced artworks by contemporary and historical artists are brought together in productive dialogue *Beyond Wilderness* explains why landscape art in Canada had to be reinvented and what forms the reinvention took Contributors include Benedict Anderson Cornell Grant Arnold Vancouver Art Gallery Rebecca Belmore Jody Berland York Eleanor Bond Concordia Jonathan Bordo Trent Douglas Cole Marlene Creates Marcia Crosby Malaspina Greg Curnoe Ann Davis Nickle Arts Museum Leslie Dawn Lethbridge Shawna Dempsey Christos Dikeakos Peter Doig Rosemary Donegan OCAD Stan Douglas Paterson Ewen Robert Fones Northrop Frye Robert Fulford General Idea Rodney Graham Reesa Greenberg Gu Xiong British Columbia Cole Harris British Columbia Richard William Hill Middlesex Robert Houle Andrew Hunter Waterloo Lynda Jessup Queen s Zacharias Kunuk Igloolik Isuma Productions Johanne Lamoureux Montr al Robert Linsley Waterloo Barry Lord Lord Cultural Resources Marshall McLuhan Mike MacDonald Liz Magor ECIAD Lorri Millan Gerta Moray Guelph Roald Nasgaard Florida State N E

Shaped by the West Wind Claire Elizabeth Campbell, 2005

Claire Campbell draws from recent work in cultural history landscape studies in geography and art history and environmental history to explore what happens when external agendas confront local realities a story central to the Canadian experience Explorers fishers artists and park planners all were forced to respond to the unique contours of this inland sea their encounters defined a regional identity even as they constructed a popular image for the Bay in the national imagination

Jacket **Community Development on the North Atlantic Margin** John Hutson, Reginald Byron, 2017-07-12 This title was first published in 2001 Isolated communities dependent upon fishing farming and forestry which are scattered around the North Atlantic coast have shared a disastrous decline during the last decade These communities are in the peripheries of advanced industrial nation states such as Canada and supra national alliances such as the European Community yet despite this there are no easy solutions to the development of these regions This volume argues that the productive assets of these regions and how they can be used to sustain household incomes need to be better understood The assets need to be converted into products and services and they need to be marketed profitably The diminishing flow of young people who leave these areas to obtain higher education and who do not return must be turned around and efforts must be concentrated on the creation or strengthening of economic conditions which satisfy the younger generation's employment aspirations consumer requirements and social needs
