pregnancy She battles with love and fear daily and after another tragic loss she questions if she wants more children Her marriage is strained by Tutankhamun s growing comfort with the darker sides of power and she is determined to keep him from losing his soul like Akhenaten did She wants nothing more than the life she has with Tutankhamun without any interruption from the ghosts of the past Just when Ankhesenamun and her husband learn to accept fate and enjoy their blessings Tutankhamun dies a tragic death while fighting Egypt s fiercest enemies The pampered and delicate young queen is left alone and as she brings her husband to his final rest she discovers the terrifying truth that her husband s death might have been set up by enemies in her very home Caught in a viper s nest of greed and betrayal Ankhesenamun must plunge into a world of intrigue and corruption if she means to avenge her family and save her people from a usurper Hanging her own life in the balance she must play a subtle and deadly game of power in order to destroy a killer
