**International Handbook of Love** Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into

various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures are proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that s what love does It communicates what is offers what can be and pleads for what must be I know you ll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of *The End of Love A sociology of Negative relationships* Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer s interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=VNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0> *Crazy Little Thing* Liz Langley, 2011-12-01 *Crazy Little Thing* is a look at why we want to be in love and the burbling boiling soup of endorphins hormones and neurotransmitters that spill from our brain to make us do things that would otherwise be viewed as insane Investigative journalist Liz Langley traveled the country to research and interview singularly love mad folks who maimed murdered and married Langley reveals the science of love and lust as well as very human stories a spouse who can t stop

loving her criminally psychotic husband even after he threw acid in her face the sweet romance between alligator skinned sideshow performers and a man whose neurons drive his necrophilia Langley reveals the control our chemicals have over us in a hilarious confounding and too strange to be anything but true look at love     *Paperbound Books in Print* ,1992     **The Book of Love** James McConnachie,2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world s most famous sex manual The Kamasutra is one of the world s best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Tantra A Handbook For Spiritual Lovers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tantra A Handbook For Spiritual Lovers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Tantra A Handbook For

Spiritual Lovers books and manuals for download have transformed the way we access information.
