Urban,2009-10-30

In the West the varied body of texts and traditions known as Tantra for more than two centuries has had the capacity to scandalize and shock For European colonizers Orientalist scholars and Christian missionaries of the Victorian era Tantra was generally seen as the most degenerate and depraved example of the worst tendencies of the so called Indian mind a pathological mixture of sensuality and religion that prompted the decline of modern Hinduism Yet for most contemporary New Age and popular writers Tantra

is celebrated as a much needed affirmation of physical pleasure and sex indeed as a cult of ecstasy to counter the perceived hypocritical prudery of many Westerners In recent years Tantra has become the focus of a still larger cultural and political debate In the eyes of many Hindus much of the western literature on Tantra represents a form of neo colonialism which continues to portray India as an exotic erotic hyper sexualized Orient Which then is the real Tantra Focusing on one of the oldest and most important Tantric traditions based in Assam northeast India Hugh B Urban shows that Tantra is less about optimal sexual pleasure than about harnessing the divine power of the goddess that flows alike through the cosmos the human body and political society In a fresh and vital contribution to the field the author suggests that the real meaning of Tantra lies in helping us rethink not just the history of Indian religions but also our own modern obsessions with power sex and the invidious legacies of cultural imperialism

Outrageous Detour Lindy Anne Nisbet,2002-06-28 **LoveSex and Relationships** Cabby Laffy,Polly McAfee,2023-06-05 LoveSex and Relationships introduces a pleasure focused rather than reproductive model of sex exploring how our brains minds bodies and emotions interact to create our experience of sexuality This book challenges the cultural commodification of sex and sexuality and it encourages the reader to experience being sexual rather than doing sex or looking sexy This is crucial to our development of sexual selfesteem particularly in the digital era of pornography dating and hookup apps Bringing the material of the first edition up to date chapters include anatomical diagrams and social commentary with a focus on trauma and Polyvagal Theory Diversity and cultural changes are also addressed including a more expansive understanding of gender identity and greater awareness of the impact of power and rank in sexual relationships Lastly each chapter features a new partnered exercise alongside every solo exercise from the first edition The book s accessible language makes it a valuable resource for sex and relationship therapists and trainees general mental health and sex relationship professionals and clients themselves

Tantric Sex E. J. Gold,Cybele Gold,1988 **Female Ejaculation and the G-Spot** Deborah Sundahl,2014-04-21 The first edition of Female Ejaculation and the G Spot was meant to raise awareness about the phenomenon of female ejaculation and resurrect a now lost wonder as well as the mystery surrounding this aspect of female sexuality It empowered women who already ejaculated and taught women who wanted to The second edition of the book promises to do even more through its mindful approach to awakening the sensations of the G spot and in offering a gentler and safer method that Deborah developed to enable a woman to have more control over her ability to ejaculate The revision also includes more testimonials from workshop participants an interview with a sexual healer and an expanded list of outside references resources product makers and tantra teachers Sundahl summarizes and explains new information that has come to light regarding the G spot paying special attention to the renamed and researched PC muscles and new find see and feel techniques for ejaculating with a partner She has also added new information to her section on men s role in female ejaculation updating findings on men s sexual tastes Finally this edition includes new illustrations and links to online video clips With its new features meant to enhance Sundahl s original

empowering and healing message regarding female sexuality the second edition of Female Ejaculation and the G Spot helps readers appreciate the wonders and healing potential of female ejaculation **Sensual Sex** Beverly Engel,1999-02-12

Sensual Sex is based on the idea that by becoming more attuned to our five senses we can develop an increasingly erotic relationship with our body and our partner s body Sex therapist Beverly Engel takes readers through each of the five senses and gives exercises to help lovers increase their pleasure and intimacy by learning to luxuriate in their senses 10 b w photos National radio drive time tour
