Shankara,2009-03-01 Raw engaging and described by her teacher as one who makes bubbles of joy Rita shares her lustrous journey through the fires of divorce motherhood and a series of romantic lilas divine plays Determined to heal herself she takes a disciplined dive into Yogic spiritual practices while working closely with an American spiritual teacher Eventually she bows at the Feet of her Gurus Ammachi and Neem Karoli Baba in a true surrender that spurs a radical transformation from a girl long suffering with an addictive love pattern to a self fulfilling woman of Bliss This kind of remarkable change is not only astounding and awe inspiring but it is possible for anyone **War on Error** Melody Moezzi,2007-12-01 War on Error brings

together the stories of twelve young people all vastly different but all American and all Muslim Their approaches to religion couldn t be more diverse from a rapper of Korean and Egyptian descent to a bisexual Sudanese American to a converted white woman from Colorado living in Cairo and wearing the hijab These individuals whether they were born to the religion or came to it on their own have made their own decisions about how observant they ll be whether or not to fast how often to pray and what to wear Though each story is unique each is also seen through the searching eyes of Melody Moezzi herself an American Muslim of Iranian descent She finds that the people she interviews are horrified that in a post 9 11 world they have

seen their religion come to be represented in the minds of many Americans by terrorism These thoughtful and articulate individuals represent the truth about the faith and its adherents who are drawn to the logic compassion and tolerance they find in Muslim teachings Moezzi ever comfortable with contradiction and nuance is a likable narrator whose underlying assumption that faith is greater than dogma is strengthened as she learns more about her religion and faces her own biases and blind spots This fresh new voice combined with the perceptions and experiences of her fellow American Muslims make for a read that is both illuminating and enjoyable

The Crisis of Islamic Masculinities Amanullah De Soudy, 2013-11-07 Rigid notions of masculinity are causing crisis in the global Islamic community These are articulated from the Qur'an its commentary historical precedents and societal religious and familial obligations Some Muslims who don't agree with narrow constructs of manliness feel forced to consider themselves secular and therefore outside the religious community In order to evaluate whether there really is only one valid ideal Islamic masculinity The Crisis of Islamic Masculinities explores key figures of the Qur'an and Indian Pakistani Islamic history and exposes the precariousness of tight constraints on Islamic manhood By examining Qur'anic arguments and the strict social responsibilities advocated along with narrow Islamic masculinities Amanullah De Soudy shows that God and women to whom Muslim men relate but are different from often act as foils for the construction of masculinity He argues the constrainers of masculinity have used God and women to think with and to dominate through and that rigid gender roles are the product of a misguided enterprise the highly personal relationship between humans and God does not lend itself to the organization of society because that relationship cannot be typified and replicated Discussions and debates surrounding Islamic masculinities are quickly finding their place in the study of Islam and Muslims and The Crisis of Islamic Masculinities makes a vital contribution to this emerging field
