Tao Of Cannabis And Other Poems:

The Tao of cannabis and other poems David Swartz,1990 **AUTUMN in the Hothouse and Other Poems** David Swartz,2006-04 The metaphysical outrage and indignation contained within these verses for the most part formal yet seething with fury has its only parallel in Wilfred Owen s terrible indictments of the first Great War There is a significant difference however The poet s torment is expressed in the face of God and His Creation and not simply humankind s personal handiwork The lure of Swartz s Hothouse is how dangerously it verges on disintegration and madness The trial simply stated is why a boundless WHY hurled into abyss Only more fearful is the implied silence the calculated indifference of the answer The four long poems comprising Part Two are a lull in the rage of the opening section The poet while certainly not at ease with his Maker s universe attempts even to entertain while having his own private jokes with Bard Himself Part Three includes two representative dramatic poems The first Last Supper depicts the final moments of Christopher Marlowe the second The Hitler Sonata those of Adolf Hitler a disturbing powerful read If Plath confronted demons in her brilliant final anguish the author of THESE skillful wrenching poems assails the very source of them One cannot leave this book behind

Sacred Bliss Mark S. Ferrara, 2016-10-20 One of the most important relationships that human beings have with plants is changing our consciousness consider the plants that give us coffee tea chocolate and nicotine Sacred Bliss challenges traditional attitudes about cannabis by tracing its essential role in the spiritual and curative traditions in Asia the Middle East Africa Europe and the Americas from prehistory to the present day In highlighting the continued use of cannabis around the globe Sacred Bliss offers compelling evidence of cannabis as an entheogen used for thousands of years to evoke peak experiences or moments of expanded perception or spiritual awareness Today the growing utilization of medical cannabis to alleviate the pain and symptoms of physical illness raises the possibility of using cannabis to treat the mind along with the body By engaging sacred and secular texts from around the world Sacred Bliss demonstrates that throughout religious history cannabis has offered access to increased imagination and creativity heightened perspective and insight and deeper levels of thought
