The Lost Language Claudia Mills,2021-10-19 The quest to save the words of a dying language and to find the words to save what may be a dying friendship lies at the heart of this exquisite verse novel Sixth grader Betsy is the one who informs her best friend Lizard that thousands of the world's languages are currently threatened by extinction

Betsy's mother is a linguistics professor working frantically to study dying languages before they are lost forever. But it is Lizard who, gripped by the magnitude of this loss, challenges Betsy: What if instead of WRITING about dying languages like your mom, you and I SAVED one instead? As the girls embark on their quest to learn as much as possible of the near-extinct language of Guernsiais spoken on the Isle of Guernsey off the coast of France, their friendship faces unexpected strains. With Lizard increasingly obsessed with the language project, Betsy begins to seek greater independence from her controlling and charismatic friend as well as from her controlling and charismatic mother. Then tragedy threatens Betsy's life beyond what any words can express, and Lizard does something unthinkable. Maybe lost friendships like lost languages can never be completely saved.

What if your mother was a criminal? What if her crime was magic? What if magic ran in the family? Bran Hambric was found alone in a locked bank vault when he was six years old. He doesn't have a clue how he got there or any memory of his past. There's only one explanation: Magic. But magic is outlawed in the Great and Glorious City of Duncelander. Eight years later, a twisted hissing creature confronts Bran and his foster father Sewey on their rooftop. Sewey believes it's a gnome, but not Bran. Sewey isn't the brightest Duncelander to be going with Bran, soon discovers that whatever leapt onto his roof is connected to the mother he never knew, and that Bran himself is the missing link in a plot so secret and evil that those behind it will stop at nothing to hunt him down. Armed with wands and weapons, Bran's enemies are about to attack with all the power of a horrible curse and a terrible crime. Magic won't be the only law broken in the City of Duncelander. **Spin Off**, 1995.
