Tar Heel Editor Josephus Daniels,1974 **Josephus Daniels as "Tar Heel Editor," 1894-1913 ...** Joseph L. Morrison,1961 *Josephus Daniels* Lee A. Craig,2013-05-01 As a longtime leader of the Democratic Party and key member of Woodrow Wilson's cabinet Josephus Daniels was one of the most influential progressive politicians in the country and as secretary of the navy during the First World War he became one of the most important men in the world Before that Daniels revolutionized the newspaper industry in the South forever changing the relationship between politics and the news media Lee A Craig an expert on economic history delves into Daniels's extensive archive to inform this nuanced and eminently readable biography following Daniels's rise to power in North Carolina and chronicling his influence on twentieth century politics A man of great contradictions Daniels an ardent prohibitionist free trader and Free Silverite made a fortune in private industry yet served as a persistent critic of unregulated capitalism He championed progressive causes like the graded public school movement and antitrust laws even as he led North Carolina's white supremacy movement Craig pulls no punches in his definitive biography of this political powerhouse The IMS ... Ayer Directory of Publications ,1898 **N.W. Ayer & Son's American Newspaper Annual** ,1899 **Pickett's Charge in History and Memory** Carol Reardon,2012-01-01 If as many have argued the Civil War is the most crucial moment in our national life and Gettysburg its turning point then the climax of the climax the central moment of our history must be Pickett's Charge But as Carol Reardon notes the Civil War saw many other daring assaults and stout defenses Why then is it Pickett's Charge at Gettysburg and not for example Richardson's Charge at Antietam or Humphreys's Assault at Fredericksburg that looms so large in the popular imagination As this innovative study reveals by examining the events of 3 July 1863 through the selective and evocative lens of memory we can learn much about why Pickett's Charge endures so strongly in the American imagination Over the years soldiers journalists veterans politicians orators artists poets and educators Northerners and Southerners alike shaped revised and even sacrificed the history of the charge to create memories that met ever shifting needs and deeply felt values Reardon shows that the story told today of Pickett's Charge is really an amalgam of history and memory The evolution of that mix she concludes tells us much about how we come to understand our nation's past **Do-Good Boy** Jerry Bledsoe,2017-07-05 In 1960 at age 18 future bestselling author Jerry Bledsoe *Bitter Blood* *The Angel Doll* told an Army recruiter that he wanted to be an artist This was his lucky day the recruiter informed him The Army had the best art school in the world But after being sworn in Bledsoe was pulled aside by a major and informed that no Army art school existed He was being assigned instead to Information School Although Bledsoe who had flunked high school English for failure to write book reports and term papers had no idea what this unexpected decision entailed it would set the direction for the rest of his life Bledsoe limits this warm deeply personal and often humorous memoir to the turbulent 60s which he began as a psychological warfare writer in the early stages of the Vietnam War His Army experiences led him to become a newspaper reporter and columnist thrusting him

into the major stories of the decade and leading him to meet and write about hosts of remarkable and engaging people including a relatively unknown musician named Jimi Hendrix who was opening for the Monkees comedy legend Brother Dave Gardner and civil rights leader Ben Elton Cox From moments of true Catch 22 absurdities in the Army to historic events of the civil rights movement Do Good Boy gives its readers an insider's view as a young author discovers his calling *Making News* Thomas A. Bowers, 2009 *Making News* is the story of how the School of Journalism and Mass Communication at the University of North Carolina at Chapel Hill grew from a single course in the English department in 1909 to become an international leader in journalism mass comm **Editor & Publisher**, 1916 The fourth estate **Righteous Warrior** William A. Link, 2008-02-05 A portrait of a commanding American politician and of the conservative movement he forged Early on Helms realized the power of television and across North Carolina in the 1960s he battled the civil rights movement campus radicalism and the sexual revolution Desegregation was a central issue in solidifying his base and mobilizing political support but also important was his discomfort with what he believed was a rising tide of immorality In 1973 he was elected to the Senate where he remained until 2003 As Senator Helms became a national conservative leader and spokesman for the revitalized American Right playing a prominent role in the Reagan Revolution of the 1970s and 1980s and the rising tide of Republicanism of the 1990s Historian William Link tells the story of one of the most powerful Americans of the twentieth century and the conservative mark he left on the American political landscape From publisher description **Yackety Yack**, 1913 **Editor for Justice** Alexander S. Leidholdt, 2002-05-01 From his assumption of the Norfolk Virginian Pilot's editorial helm in 1919 until his death in 1950 Louis Isaac Jaff served as one of the South's leading and most respected liberal journalists Prejudice he faced as a Jew created in him an abiding empathy with the downtrodden and his World War I military service and subsequent Red Cross work deepened his sensitivity to injustice Alexander Leidholdt's new biography maps the battlefield of intolerance and civil rights violations on which Jaff fired his journalistic salvos and explores the complexities of a man who was poised to become a national spokesman for a better South Jaff worked ceaselessly to advance racial understanding successfully lobbying locally for black parks and beaches black police and a black college A high point of Leidholdt's book is the account of Jaff's attacks on mob justice a stirring record of one writer's response to what he saw as inexcusable moral sluggishness in civil authorities For his campaign urging Virginia lawmakers to adopt stiff antilynching legislation he earned the 1929 Pulitzer Prize for distinguished editorial writing Achieving a poignant balance between Jaff's significant professional accomplishments and the private pains he bore including anti-Semitism a mentally unstable wife and an estranged son this superb study demonstrates how Jaff's difficulties limited him as an active liberal reformer but also fueled his prescient and impassioned warnings against Hitler's rise to power in the early thirties Drawing extensively from primary source material much of it previously unexamined *Editor for Justice* makes an important contribution to journalism and to southern Jewish and black history Readers will treasure the depiction of an extraordinary champion of human rights

Josephus Daniels Joseph L. Morrison, 2012-06-01 This first full length biography documents the strong family ties and loyalties that shaped Daniels's character and demonstrates the extent to which his religion bred not only the merry puritanism but also the moral courage that figured in his career and in his personal life There is ample evidence to show that in spite of dire forecasts of disaster he succeeded where his critics insisted that he must fail His was a triumph of temperament over inexperience of character over qualifications Originally published in 1966 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Moments of Despair David Silkenat, 2011-03-07 During the Civil War era black and white North Carolinians were forced to fundamentally reinterpret the morality of suicide divorce and debt as these experiences became pressing issues throughout the region and nation In Moments of Despair David Silkenat explores these shifting sentiments Antebellum white North Carolinians stigmatized suicide divorce and debt but the Civil War undermined these entrenched attitudes forcing a reinterpretation of these issues in a new social cultural and economic context in which they were increasingly untethered from social expectations Black North Carolinians for their part used emancipation to lay the groundwork for new bonds of community and their own interpretation of social frameworks Silkenat argues that North Carolinians attitudes differed from those of people outside the South in two respects First attitudes toward these cultural practices changed more abruptly and rapidly in the South than in the rest of America and second the practices were interpreted through a prism of race Drawing upon a robust and diverse body of sources including insane asylum records
