Fleeing God Tara Soughers,2007-05-22 What does a big fish story like the Book of Jonah have to tell us about our relationship with God Surprisingly a great deal In the story of the reluctant prophet we are invited to explore the times when we like Jonah have been less than enthusiastic about God s call The humor of the original story serves as it does in Jesus parables to draw in listeners and reveal our own flaws Fleeing God is an exploration of the ways in which we encounter God Not all encounters are times of great joy If we are honest we have also had those times when we would have preferred to head off in the opposite direction from God Using Jonah s story and her own Tara Soughers explores not only the cost of fleeing God but also the surprising lessons that we learn on the way even from the belly of a big fish Grace comes in unexpected ways

common the quest to explore what uncontrolling love means for issues in counseling psychology and or therapy These essays have a power that goes beyond mere theoretical reflection The ideas in these pages have the capacity to transform our living And even reading Love Does Not Control has the potential to become an exercise in uncontrolling love **Wide Awake**
