## **Taras Shevchenko A Life:**

**Taras Shevchenko, a Life** Pavlo Zaitsev, 1988      **Shevchenko and Women** Luka Myshuha, 1940      **Bard of Ukraine** John Weir, Taras Shevchenko, 1951      *Soviet Life*, 1984      *Taras Shevchenko, the Poet of Ukraine* Taras Shevchenko, 1945

The Poet of Ukraine is a selection of poems written by Ukraine's most beloved literary figure Taras Shevchenko. This compilation features a full biography as well as historical and political contextual commentary for each of the thirty-one selected poems. Taras Shevchenko is the poet of Ukraine. There is hardly a Ukrainian home from the humblest to the richest that does not contain a portrait of the poet who during his short life touched every chord of the Ukrainian heart. He shared the fortunes of his people and during his unhappy life he suffered all the hardships of serfdom, of exile, of police supervision that was the fate of the greater part of his compatriots. Seldom has a poet lived and suffered to the full as did Shevchenko, and rarely has a man so fully incorporated all the aspirations of his people. That is not all. As an artist and a thinker, Shevchenko deserves the sympathetic knowledge and understanding of the entire civilized and democratic world. He deserves it as the representative of his people, a nation of forty millions who have so far failed to receive that independence for which they have long struggled. He deserves it also for himself, for his own writings, since it can be truly said that he is one of those men who have a message for all humanity, for the suffering and the downtrodden, the victims of injustice and oppression everywhere. It is the object of this book to make available in English translation some of the masterpieces of this poet whose works have lived for a century with an ever widening influence and an ever increasing appreciation of his genius both at home and abroad. It has been a strange fate that has confined knowledge of his works to some scanty references in books on literature while lesser men in other languages have received fantastic praises. Such was fate. In his lifetime many of the most penetrating critics in Russia saw fit to place him above Pushkin and Mickiewicz for his mastery of language and for the depth and sincerity of his ideas. Yet they were in the minority for the vast multitudes were only inclined to see in him a young serf writing in his native language and they passed him by with a shrug of the shoulders. He formed part of that great flowering of poetry which commenced with the period of Romanticism in Europe and he was one of those men who passed by a natural evolution to the great period of realism and of sensitiveness to the social problems of the day. Now in the twentieth century we are learning as never before to judge him for himself as a flowering of the Ukrainian character and as a man who has a message not only for his own times and country but for the entire world. He has stood the test of time and he deserves due recognition in these days when the entire world is sunk in war and desolation. There can be no doubt today that Taras Shevchenko is one of the great Slavonic poets. He is one of the great poets of the nineteenth century without regard to nationality or language and his fearless appeal to right and truth and justice speaks as eloquently in the New World as it did in the Old or in the little village where he was born, the city to which he was taken or the treeless steppes to which he was exiled.

**Amazon**      **War and Punishment** Mikhail Zygar, 2024-04-30 From one of Russia's smartest and best sourced young

journalists The New York Times comes the first work by a Russian author to reveal his country's history of oppressing Ukraine to blame Russian culture for the war and to dismantle Putin's imperial narrative that he used to justify his brutal attack on Ukraine As soon as Russia invaded Ukraine in 2022 independent Russian journalist Mikhail Zygar circulated a petition that was signed first by prominent Russian writers artists and filmmakers and then by thousands of others Russia soon enacted strict new censorship laws and Zygar was forced to flee his country In his time as a journalist he has interviewed Ukrainian president Volodymyr Zelensky and has had access to many of the major players in both countries from politicians to oligarchs As an expert on Vladimir Putin's behavior he has spent years studying the Kremlin's plan for Ukraine and here in clear chronological order he explains the nationalist myths and legends Russia has exploited to justify savagely invading its independent neighboring country Drawing on literature formal histories and his own reporting Zygar details the long emergence of Ukraine from its ancient origins as a culturally and politically distinct region often in direct conflict with Moscow to a Soviet controlled state that suffered terribly at the hands of Nazi soldiers in World War II and before that from Stalin's forced starvation policies in the 1930s Following the fall of the USSR Ukraine emerged first as a post Soviet oligarchic state and then as a progressive nation with increasing economic cultural and political ties to Europe and the US Of particular note is Zygar's step by step account of the rise of Volodymyr Zelensky from a popular comic and television personality to a resolute symbol of Ukraine's resistance to Russia's invasion Zelensky's ascent came as a new generation of Ukrainians having grown up in an independent country did not consider themselves to be part of Russia a tipping point that led to war as Putin could not tolerate losing Ukraine forever Authoritative and timely this vital account is an unprecedented historical overview of the war that affects us all and continues to threaten the future of the entire world as we know it

*The Cossack Myth* Serhii Plokhy, 2012-07-26 In the years following the Napoleonic Wars a mysterious manuscript began to circulate among the dissatisfied noble elite of the Russian Empire Entitled *The History of the Rus* it became one of the most influential historical texts of the modern era Attributed to an eighteenth century Orthodox archbishop it described the heroic struggles of the Ukrainian Cossacks Alexander Pushkin read the book as a manifestation of Russian national spirit but Taras Shevchenko interpreted it as a quest for Ukrainian national liberation and it would inspire thousands of Ukrainians to fight for the freedom of their homeland Serhii Plokhy tells the fascinating story of the text's discovery and dissemination unravelling the mystery of its authorship and tracing its subsequent impact on Russian and Ukrainian historical and literary imagination In so doing he brilliantly illuminates the relationship between history myth empire and nationhood from Napoleonic times to the fall of the Soviet Union
