**James Carroll**

## **Target America The Soviet Union And The Strategic Arms Race 1945-1964:**

**Soviet-American Relations, 1953-1960** Victor Rosenberg, 2015-01-24 Dwight D Eisenhower and Nikita Khrushchev presided over a pivotal period in Soviet American relations The ongoing Korean War and the lack of an American ambassador in Moscow illustrate the strain in Soviet American relations at the start of Eisenhower's presidency but things changed after Stalin died only 44 days later Stalin's successors began to liberalize both domestic and foreign policy in what became known as the Thaw There was an increase in diplomatic exchanges including the first modern summit conferences Of even greater importance the Soviet leaders began to reestablish the scientific cultural and tourist contacts that had been broken under Stalin Because political and ideological tensions remained and there were still restrictions on contacts the Soviet overtures can best be described as a half offered hand of friendship and perhaps it was less of a thaw than the end of a blizzard Nevertheless these contacts began a process which would help end the Cold War three decades later This history of relations between the Soviet Union and the United States during the Eisenhower and Khrushchev administrations explores political social and cultural exchanges and assesses their impact upon the two countries Besides diplomatic documents memoirs from Americans and Soviets and works of history it relies upon eyewitness accounts by journalists tourists and others to paint a detailed picture of the era Notes are included for each chapter and there is a bibliography and an index [A Global History of the Nuclear Arms Race](#) Richard Dean Burns, Joseph M. Siracusa, 2013-04-23 Written by two preeminent authors in the field this book provides an accessible global narrative of the nuclear arms race since 1945 that focuses on the roles of key scientists military chiefs and political leaders The first book of its kind to provide a global perspective of the arms race this two volume work connects episodes worldwide involving nuclear weapons in a comprehensive narrative fashion Beginning with a discussion of the scientific research of the 1930s and 1940s and the Hiroshima decision the authors focus on five basic themes political dimensions technological developments military and diplomatic strategies and impact The history of the international nuclear arms race is examined within the context of four historical eras America's nuclear monopoly America's nuclear superiority superpower parity and the post Cold War era Information about the historical development of the independent deterrence of Britain France and China as well as the piecemeal deterrence of newcomers Israel India Pakistan and North Korea is also included as is coverage of the efforts aimed at the international control of nuclear weapons and the diplomatic architecture that underpins the global nuclear non proliferation regime [A Military History of the Cold War, 1944-1962](#) Jonathan M. House, 2014-04-28 The Cold War did not culminate in World War III as so many in the 1950s and 1960s feared yet it spawned a host of military engagements that affected millions of lives This book is the first comprehensive multinational overview of military affairs during the early Cold War beginning with conflicts during World War II in Warsaw Athens and Saigon and ending with the Cuban Missile Crisis A major theme of this account is the relationship between government policy and military preparedness and strategy Author Jonathan M House tells of generals

engaging in policy confrontations with their governments political leaders among them Anthony Eden Nikita Khrushchev and John F Kennedy many of whom made military decisions that hamstrung their own political goals In the pressure cooker atmosphere of atomic preparedness politicians as well as soldiers seemed instinctively to prefer military solutions to political problems And national security policies had military implications that took on a life of their own The invasion of South Korea convinced European policy makers that effective deterrence and containment required building up and maintaining credible forces Desire to strengthen the North Atlantic alliance militarily accelerated the rearmament of West Germany and the drive for its sovereignty In addition to examining the major confrontations nuclear and conventional between Washington Moscow and Beijing including the crises over Berlin and Formosa House traces often overlooked military operations against the insurgencies of the era such as French efforts in Indochina and Algeria and British struggles in Malaya Kenya Cyprus and Aden Now more than fifty years after the events House describes understanding the origins and trajectory of the Cold War is as important as ever By the late 1950s the United States had sent forces to Vietnam and the Middle East setting the stage for future conflicts in both regions House s account of the complex relationship between diplomacy and military action directly relates to the insurgencies counterinsurgencies and confrontations that now occupy our attention across the globe [Eye in the Sky](#) Dwayne Day, 2015-05-26 Presenting the full story of the CORONA spy satellites origins Eye in the Sky explores the Cold War technology and far reaching effects of the satellites on foreign policy and national security Arguing that satellite reconnaissance was key to shaping the course of the Cold War the book documents breakthroughs in intelligence gathering and achievements in space technology that rival the landing on the moon **Nuclear Politics** Alexandre Debs, Nuno P. Monteiro, 2017 A comprehensive theory of the causes of nuclear proliferation alongside an in depth analysis of sixteen historical cases of nuclear development **Losing an Empire and Finding a Role** K. Stoddart, 2012-04-11 This book sheds fresh light on developments in British nuclear weapons policy between October 1964 when the Labour Party came back into power under Harold Wilson following a thirteen year absence and June 1970 when the Conservative government of Edward Heath was elected [Learning to Love the Bomb](#) Sean M. Maloney, 2007 In Learning to Love the Bomb Sean M Maloney explores the controversial subject of Canada s acquisition of nuclear weapons during the Cold War Based on newly declassified Canadian and U S documents it examines policy strategy operational and technical matters and weaves these seemingly disparate elements into a compelling story that finally unlocks several Cold War mysteries For example while U S military forces during the 1962 Cuban Missile Crisis were focused on the Caribbean Sea and the southeastern United States Canadian forces assumed responsibility for defending the northern United States with aircraft armed with nuclear depth charges flying patrols and guarding against missile attack by Soviet submarines This defensive strategy was a closely guarded secret because it conflicted with Canada s image as a peacekeeper and therefore a more passive member of NATO than its ally to the south It is revealed here for the first time The place of nuclear weapons in Canadian history has until now

been a highly secret and misunderstood field subject to rumor rhetoric half truths and propaganda Learning to Love the Bomb reveals the truth about Canada's role as a nuclear power *International History of the Twentieth Century and Beyond* Anthony Best, 2008 This major global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors cover events in Europe Asia the Middle East Africa and the Americas from the last century and beyond Among the areas this book covers are the decline of European hegemony over the international order the diffusion of power to the two superpowers the rise of newly independent states in Asia and Africa the course and consequences of the major **Militarizing Outer Space** Alexander C.T. Geppert, Daniel Brandau, Tilmann Siebeneichner, 2020-12-02 Militarizing Outer Space explores the dystopian and destructive dimensions of the Space Age and challenges conventional narratives of a bipolar Cold War rivalry Concentrating on weapons warfare and violence this provocative volume examines real and imagined endeavors of arming the skies and conquering the heavens The third and final volume in the groundbreaking European Astroculture trilogy Militarizing Outer Space zooms in on the interplay between security technopolitics and knowledge from the 1920s through the 1980s Often hailed as the site of heavenly utopias and otherworldly salvation outer space transformed from a promised sanctuary to a present threat where the battles of the future were to be waged Astroculture proved instrumental in fathoming forms and functions of warfare's futures past both on earth and in space The allure of dominating outer space the book shows was neither limited to the early twenty first century nor to current American space force rhetorics War in the Twentieth Century Michael A. Hennessy, B.J.C. McKercher, 2003-11-30 War proved a seminal influence on the shape of the 20th century This collection provides various essays addressing the phenomenon of war as viewed through the eyes of the fin de siècle Leading scholars of war international relations and international law offer general or specific insights into war's consequences during the last one hundred years Combined the essays demonstrate the centrality of 20th century war to the development of the modern state system international jurisprudence and contemporary society Donald Watt provides an overview of the use of the term war in its legal and practical sense John Lynn addresses the transformation of military professional forces through the century Donna Arzt explores the slow convergence of humanitarian law with human rights laws as witnessed in the latter half of the century The contours of the national security state that emerged in many forms through the late century are detailed in contributions by Lawrence Aronsen Geoffrey Smith and Gary Hess Finally efforts to avert war through arms control disarmament arms reduction and peace keeping are examined in essays by Norman Hillmer and Erik Goldstein Thread Of The Silkworm Iris Chang, 2008-08-06 The definitive biography of Tsien Hsue Shen the pioneer of the American space age who was mysteriously accused of being a communist deported and became to America's continuing chagrin the father of the Chinese missile program Target America Steve Zaloga, 1993 From the development of the A bomb and the role of espionage surrounding it to the dire environmental consequences of its nuclear power program

the development of nuclear technology and weaponry in the former Soviet Union is impressively researched in this important pioneering study **Photographs Maps Iron Curtain Twitchers** Jennifer M. Hudson, 2018-11-23 The Cold War is often viewed in absolutist terminology the United States and the Soviet Union characterized one another in oppositional rhetoric and pejorative propaganda State sanctioned communications stressed the inherent dissimilarity between their own citizens and those of their Cold War foe Such rhetoric exacerbated geopolitical tensions and heightened Cold War paranoia most notably during the Red Scare and brinkmanship incidents Government leaders stressed the reactive defensive foreign policies they implemented to retaliate against their counterparts offensive maneuvers Only brief periods of détente gave glimpses into the possibility of concerted peaceful coexistence Yet such characterizations neglect the complexities and rhetorical nuances that created fissures throughout the long standing ideological conflict Grassroots diplomacy rarely coalesced with official governmental rhetoric and often contradicted the discourse emanating from the White House and the Kremlin Organizations such as Women Strike for Peace WSP the Committee for Nonviolent Action CNVA and the Moscow Trust Group MTG defied policy directives and sought to establish genuine peaceful coexistence Traveling citizens posited that U S and Soviet citizens possessed more underlying commonalities than their governmental leaders cared to admit phenomena underscored in events such as the San Francisco to Moscow Walk for Peace Spacebridge programs railed against the Strategic Defense Initiative SDI and proclaimed that figurative and literal links between their country and the Other proved more conducive to public opinion than Star Wars Iron Curtain Twitchers examines such juxtaposing rhetorics through three lexical themes contamination containment and coexistence It analyzes the disparate perspectives of public politicians and private citizens throughout the Cold War's duration and its aftermath to better understand the political cultural and geopolitical nuances of U S Russia relations Vacillating rhetoric among politicians journalists and traveling citizens complicated geopolitical relationships sociopolitical disagreements and cultural characterizations These dialogues are contrasted with the cultural mediums of film and political cartoons to underscore fluctuating Cold War identity dynamics Manifestations of one's own country contrasted with propagations of the Other and indicate that the Cold War lasted much longer and remains more virulent than previously conceived **The Pontecorvo Affair** Simone Turchetti, 2012-02-15 This book examines the life and motivations behind Italian born nuclear physicist and alleged spy Bruno Pontecorvo and his reasons for defecting to the Soviet Union in 1950 **Spying on the Nuclear Bear** Michael S. Goodman, 2007 Based on previously unavailable sources this book reveals the Anglo American intelligence effort to penetrate the most secret domain of the Soviet government its nuclear weapons program **House of War** James Carroll, 2007-06 An analysis of the Pentagon the military and their vast frequently hidden influence on American life argues that the Pentagon has since its inception operated beyond the control of any force in government or society **Eisenhower's New-Look National Security Policy, 1953-61** S. Dockrill, 1996-05-21 The New Look sought to formulate a more selective and flexible response to Communist

challenges The New Look was not simply a bigger bang for a buck nor merely a device for achieving a balanced budget nor did it amount solely to a strategy of massive retaliation as is commonly assumed Dr Dockrill's incisive revisionist analysis of the subject throws new light on US ambitious global strategy during the Eisenhower years *The American Ascendancy* Michael H. Hunt, 2007-04-10 A simple question lurks amid the considerable controversy created by recent US policy what road did Americans travel to reach their current global preeminence Taking the long historical view Michael Hunt demonstrates that wealth confidence and leadership were key elements to America's ascent In an analytic narrative that illuminates the past rather than indulges in political triumphalism he provides crucial insights into the country's problematic place in the world today Hunt charts America's rise to global power from the nineteenth and early twentieth centuries to a culminating multilayered dominance achieved in the mid twentieth century that has led to unanticipated constraints and perplexities over the last several decades Themes that figure prominently in his account include the rise of the American state and a nationalist ideology and the domestic effects and international spread of consumer society He examines how the United States remade great power relations fashioned limits for the third world and shaped our current international economic and cultural order Hunt concludes by addressing current issues such as how durable American power really is and what options remain for America's future His provocative exploration will engage anyone concerned about the fate of our republic

**America, Empire of Liberty** David Reynolds, 2009-10-06 The best one volume history of the United States ever written Joseph J Ellis It was Thomas Jefferson who envisioned the United States as a great empire of liberty This paradoxical phrase may be the key to the American saga How could the anti empire of 1776 become the world's greatest superpower And how did the country that offered unmatched liberty nevertheless found its prosperity on slavery and the dispossession of Native Americans In this new single volume history spanning the entire course of US history from 1776 through the election of Barack Obama prize winning historian David Reynolds explains how tensions between empire and liberty have often been resolved by faith both the evangelical Protestantism that has energized American politics for centuries and the larger faith in American righteousness that has driven the country's expansion Written with verve and insight *Empire of Liberty* brilliantly depicts America in all of its many contradictions

The Paths Of Heaven: The Evolution Of Airpower Theory: The School Of Advanced Airpower Studies Philip S. Meilinger, 2000

## Adopting the Song of Expression: An Psychological Symphony within **Target America The Soviet Union And The Strategic Arms Race 19451964**

In a world eaten by displays and the ceaseless chatter of instant conversation, the melodic elegance and mental symphony developed by the prepared term often diminish into the background, eclipsed by the persistent noise and disturbances that permeate our lives. Nevertheless, set within the pages of **Target America The Soviet Union And The Strategic Arms Race 19451964** an enchanting literary treasure full of raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that captivating masterpiece conducts visitors on a mental trip, well unraveling the hidden tunes and profound influence resonating within each carefully crafted phrase. Within the depths with this poignant analysis, we will examine the book is key harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

## Target America The Soviet Union And The Strategic Arms Race 19451964 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Target America The Soviet Union And The Strategic Arms Race 19451964 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Target America The Soviet Union And The Strategic Arms Race 19451964 has opened up a world of possibilities. Downloading Target America The Soviet Union And The Strategic Arms Race 19451964 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Target America The Soviet Union And The Strategic Arms Race 19451964 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Target America The Soviet Union And The Strategic Arms Race 19451964. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Target America The Soviet Union And The Strategic Arms Race 19451964. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers,

and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Target America The Soviet Union And The Strategic Arms Race 19451964, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Target America The Soviet Union And The Strategic Arms Race 19451964 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Target America The Soviet Union And The Strategic Arms Race 19451964 Books**

1. Where can I buy Target America The Soviet Union And The Strategic Arms Race 19451964 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Target America The Soviet Union And The Strategic Arms Race 19451964 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Target America The Soviet Union And The Strategic Arms Race 19451964 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Target America The Soviet Union And The Strategic Arms Race 19451964 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
