Targetpearl Harbor 19411991

**John M. Murrin,Paul E. Johnson,Gary
Gerstle,Emily S. Rosenberg**

Target Pearl Harbor 1941-1991:

National Lampoon, 1991 **The American Legion**, 1995 **Liberty, Equality, Power** John Murrin, James M. McPherson, Paul Johnson, George Henry Davis '86 Professor of American History James M. McPherson, Professor Gary Gerstle, Professor of History Emily S. Rosenberg, 2002-05-15 **LIBERTY EQUALITY POWER A HISTORY OF THE AMERICAN PEOPLE CONCISE EDITION** provides students with a clear understanding of how power is gained lost and used in both public and private life This concise version retains the clarity coverage and thematic unity of the larger text while offering unmatched integration of social and cultural history into a political story It retains the strong chronological and thematic framework of the bigger text but offers a more manageable option for instructors concerned about too much material and too little time **Liberty, Equality, Power** John M. Murrin, Paul E. Johnson, Gary Gerstle, Emily S. Rosenberg, 2002-05 This best selling introductory American history survey text provides students with a clear understanding of how power is gained lost and used in both public and private life Central to this text are the themes of liberty equality and power as well as the shifting relationships and tensions between these evolving concepts The authors use these themes to convey the complex reality and diversity of America's history *The American Legion Magazine*, 1995 [Index to the Honolulu Advertiser and Honolulu Star-bulletin](#), 1991 **Media Review Digest** C. Edward Wall, 1993 **Naval History**, 1996 *Subject Guide to Books in Print*, 1991 *Fifty Years Among the New Words* John Algeo, Adele S. Algeo, 1991 This book first published in 1992 is a unique repository of language use from 1941-91 **FDR Goes to War** Burton W. Folsom, Anita Folsom, 2011-10-11 From the acclaimed author of *New Deal or Raw Deal* called eye opening by the *National Review* comes a fascinating exposé of Franklin Delano Roosevelt's destructive wartime legacy and its adverse impact on America's economic and foreign policies today Did World War II really end the Great Depression or did President Franklin Roosevelt's poor judgment and confused management leave Congress with a devastating fiscal mess after the final bomb was dropped In this provocative new book historians Burton W. Folsom Jr and Anita Folsom make a compelling case that FDR's presidency led to evasive and self-serving wartime policies At a time when most Americans held isolationist sentiments a backlash against the stunning carnage of World War I Roosevelt secretly favored an aggressive interventionist foreign policy Yet throughout the 1930s he spent lavishly on his disastrous New Deal programs and slashed defense spending leaving America vastly unprepared for Japan's attack on Pearl Harbor and the challenge of fighting World War II History books tell us the wartime economy was a boon thanks to massive government spending But the skyrocketing national debt food rations nonexistent luxuries crippling taxes labor strikes and dangerous work of the time tell a different story one that is hardly the stuff of recovery Instead the war ushered in a new era of imperialism for the executive branch Roosevelt seized private property conducted illegal wiretaps tried to silence domestic opposition and interned 110,000 Japanese Americans He set a dangerous precedent for entangling alliances in foreign affairs including his remarkable courtship of Russian dictator Joseph Stalin while millions of Americans

showed the courage perseverance and fortitude to make the weapons and fight the war Was Roosevelt a great wartime leader as historians almost unanimously assert The Folsoms offer a thought provoking revision of his controversial legacy FDR Goes to War will make America take a second look at one of its most complicated presidents **Newsweek** Raymond Moley, Samuel Thurston Williamson, Malcolm Muir, Rex Smith, Joseph Becker Phillips, 1991 Target Michael Slackman, 1990-06-01 Target Pearl Harbor takes a fresh look at the air raid that plunged America into World War II by scrutinizing the decisions and attitudes that prompted the attack and left the United States unprepared to mount a successful defense The core of the book concerns the events of December 7 1941 as seen through the eyes of participants both American and Japanese military and civilian The author s use of contemporary documents and interviews with survivors has enabled him to present a vivid and evocative picture of that day The Journal of American-East Asian Relations , 1998

Books in Print , 2003-09 Books in print is the major source of information on books currently published and in print in the United States The database provides the record of forthcoming books books in print and books out of print Pearl Harbor 1941 Carl Smith, 2001-09-25 Based on the latest research describes previously unknown aspects of the Japanese surprise attack on the United States naval base at Pearl Harbor which resulted in the deaths of more than 2 000 American officers and servicemen and an immediate declaration of war on Japan **Book Review Digest** , 1996-05 December 7, 1941 Gordon William Prange, Donald M. Goldstein, Katherine V. Dillon, 1988 The last of the Prange manuscripts about Pearl Harbor Page ix A detailed chronological account of the day Includes reminiscences of officers both American and Japanese

The Attack on Pearl Harbor John Davenport, John Davenport, PH.D., 2009 Traces events leading up to and resulting from the December 7 1941 Japanese attack on American battleships at Pearl Harbor which brought the United States into World War II **Pearl Harbor Ghosts** Thurston Clarke, 2007-12-18 A landmark book published to rave reviews a decade ago Pearl Harbor Ghosts has now been updated to commemorate the 60th anniversary of the surprise attack that forever changed the course of history Full of gripping drama and vibrant details here is the intimate human story of the events surrounding that fateful day of December 7 1941 the glamorous tropical city that seemed too beautiful to suffer devastation the stunned naval personnel whose lives would permanently be divided into before and after Pearl Harbor the ordinary Honolulu residents who were tragically unprepared to be the first target in the Pacific war the Japanese pilots who manned the squadron of deadly silver bombers and the island s community of Japanese Americans whose lives would never be the same again Blending meticulous historic recreation with lively reporting Clarke counterpoints the freeze frame nightmare of the 1941 bombing with the disturbing realities of present day Honolulu where hundreds of veterans both American and Japanese converge each year to relive every hour of the attack Wealthy Waikiki landowners and native Hawaiian farmers admirals and nurses Navy wives and government officials all take their part in Clarke s rich tapestry of memory and insight In the end Pearl Harbor emerges as a trauma that spread from Oahu to engulf the nation and the world an event that continues to reverberate in the

lives of all who experienced it
