## **Targum Of The Minor Prophets:**

**The Targum of the Minor Prophets** Kevin J. Cathcart, 1989-01-01 Rabbinic Judaism has transmitted Targums of all the books of the Hebrew Canon with the exception of Daniel and Ezra Nehemiah which are themselves partly in Aramaic Translations of books of the Hebrew Bible into Aramaic for liturgical purposes must have begun before the Christian era although none transmitted by Rabbinic Judaism can be shown to be that old The aim of this series is to translate all the traditionally known Targums into modern English idiom while respecting the particular and peculiar nature of what these Aramaic translations were originally intended to be The translators have made use of what they feel to be the best printed editions of the Aramaic Targum in question or have directly consulted the manuscripts The translation aims at giving a faithful rendering of the Aramaic The Targums are not of the same kind They were translated at different times and have more than one interpretive approach to the Hebrew Bible Targumic deviations from the Hebrew Text are indicated in italics

*Study of Targum Jonathan to the Minor Prophets from Nahum to Malachi* R. P. Gordon, 1973      *The Targums* Paul V.M. Flesher, Bruce D. Chilton, 2011-08-25 This remarkable survey introduces critical knowledge and insights that have emerged over the past forty years including targum manuscripts discovered this century and targums known in Aramaic but only recently translated into English Prolific scholars Flesher and Chilton guide readers in understanding the development of the targums their relationship to the Hebrew Bible their dates language and place in the history of Christianity and Judaism and their theologies and methods of interpretation      **Tradition in Transition** Mark J. Boda, Michael Floyd, 2008-10-15 This book is an investigation of innovative uses of the Hebrew tradition in the early Persian period as represented by the prophetic corpora of Haggai and Zechariah 1 8      Joshua Traditions and the Argument of Hebrews 3 and 4 Bryan J. Whitfield, 2013-06-26 This monograph examines the place of chapters 3 and 4 in the larger argument of Hebrews particularly the relationship of the people of God in Heb 3 7 4 13 to the surrounding discussion of the high priest The connection between the great high priest and the people of God proved a central question for twentieth century scholars including Ernst K semann The first chapter of this work examines previous attempts to explain the flow of the argument and revisits the proposal of J Rendel Harris who thought attention to the two Joshuas of the Hebrew Bible was the key to connecting Heb 3 7 4 13 to its frame The second chapter examines reading practices within Second Temple Judaism that shaped those of the author of Hebrews Two subsequent chapters explore the history of Second Temple interpretation of the texts central to Harris s proposal Numbers 13 14 and Zechariah 3 The Levi priestly tradition receives particular attention The following chapter provides a careful study of the early chapters of Hebrews that explores allusions and echoes to Numbers and to Zechariah The monograph concludes with a positive assessment of much of Harris s proposal      *Jesus in Context* Bruce D. Chilton, Craig A. Evans, 2018-12-10 The Proclamation of Jesus seeks to place Jesus in the context of first century Palestinian Judaism The authors hope to discern the essence of his preaching his concept of the kingdom of God and the place of purity in his teaching and activities Better methods for assessing not simply the authenticity of reported sayings and deeds but for tracing the development of tradition are considered The authors are convinced that most of the Synoptic tradition is authentic but that much of it has been reinterpreted and recontextualized Herein lies the real challenge for those investigating the historical Jesus The Proclamation of Jesus opens up new avenues of study and makes new proposals for understanding Jesus in the context of his place and time      **Studying the Historical Jesus** Bruce David Chilton, Craig Alan Evans, 1998 This coordinated collection of studies provides important critical assessments of recent progress in Life of Jesus research Topics treated include Jesus and Palestinian politics the parables and miracles of Jesus and the Jesus tradition in extracanonical sources      **Finding Meaning in the Text** W. Edward Glenny, 2009 This book offers a thorough analysis of the translation technique and theology of LXX Amos which will be valuable for those studying LXX Amos and for those doing textual criticism in the Hebrew text of Amos It analyzes the literalness of the translation the rendering of difficult and

unknown words and the rendering of visually ambiguous phenomena like homonyms homographs and word divisions The evidence suggests the translator worked from a text very similar to the MT He reveals his biases as he struggles with the difficult and obscure sections of his source text He exhibits an anti Syrian and anti Samaritan bias as well as interest in Gentiles eschatology and messianism

**Escaping Shame: Mary's Dilemma and the Birthplace of Jesus** N. Clayton Croy, 2022-08-01 The only narratives of Jesus birth locate the event in Bethlehem but the adult Jesus is consistently associated with Nazareth How do we reconcile these two indisputable facts Some dismiss Bethlehem as a theologoumenon a theological fabrication Others insist on Bethlehem based on the census of Quirinius In the present volume N Clayton Croy argues that both are wrong Instead Jesus birthplace was determined by the scandalous nature of Mary's pregnancy with it being necessary for Mary and Joseph to escape the inevitable shame of an ill timed conception and decamp to a less hostile environment In this light a Bethlehem born Jesus who grew up in Nazareth should never have been considered problematic

**Matthew's Messianic Shepherd-King** Joel Willitts, 2008-08-27 In two places in the First Gospel Matt 10:5b 6:15-24 the Messianic mission of Jesus and his disciples is limited to a group called the lost sheep of the house of Israel In light of Matthew's intense interest in Jesus Davidic Messiahship and the Jewish Shepherd King traditions surrounding King David it is argued that the lost sheep of the house of Israel refers to remnants of the former northern kingdom of Israel who continued to reside in the northern region of the ideal Land of Israel

*The Prostitute and the Prophet* Yvonne Sherwood, 2004-12-30 The only consensus that has been reached on Hosea 1:3 is that it is a notoriously problematic text Sherwood unpicks this rather vague statement by examining the particular complexities of the text and frictions between the text and reader that conspire to produce such a disorientating effect Four dimensions of the problem are considered the conflict between text and reader over the improper relationship between Hosea and Gomer the bizarre prophetic sign language that conscripts people into a cosmic charade the text's propensity to subvert its central theses and the emergent tensions between the feminist reader and the text Aiming to bring together literary criticism and biblical scholarship this book provides lucid introductions to ideological criticism semiotics deconstruction and feminist criticism and looks at the implications of these approaches not only for the book of Hosea but for biblical studies in general
