Targum Onkelos Volume 5 On Deuteronomy:

Maimonides' Hidden Torah Commentary -- Volume 5 - Deuteronomy Michael Leo Samuel, 2022 The epitaph on Maimonides' tombstone reads From Moses the prophet to Moses there was none like Moses Maimonides The name Moses Maimonides 1138-1204 is an acronym for his Hebrew name Moses ben Maimon For centuries yeshiva scholars and students alike affectionately refer to him by the epithet the Rambam Just as the original Moses became the founder of the religion of ancient Israel Moses Maimonides redefined Judaism for the future generations more so than any other Judaic thinker or Halakhic scholar who came before or after him Modern Judaism owes its conceptual and legal foundations to this remarkable thinker This remarkable person occupies a rare position in the annals of Jewish history and is widely considered as one of the greatest Jewish thinkers and philosophers who ever lived Maimonides' stature reached almost mythic proportions Jews of all modern religious persuasions from the ultra liberal to the Haredi branches of Orthodoxy each claim Maimonides as their patron hero Both Christian and Islamic thinkers held Maimonides who refer to him as Musa ibn Maymun in Arabic writings in high regard __ I have been impressed with the writings of Rabbi Michael Leo Samuel ever since I read his first book on Philo I enjoyed the comprehensive nature of his writings and the many insights in his books I liked that he described Philo's views in an easy to read manner and compared Philo's views with those of many ancient and modern writers Since that time I wrote six reviews of his Philo books and praised them all There is much in them that will interest and teach both scholars and readers who had no idea beforehand about this first century philosopher or just a little information about him Reading Rabbi Samuel's books will introduce readers to a large number of Philo's ideas those of other thinkers on the ideas including the Talmuds and Midrashim and about philosophy and Judaism generally Thus when Rabbi Samuel asked me to write the Foreword to his first book on Maimonides I was very pleased to accept his offer both out of respect for his scholarship and because I wrote many books and articles on Maimonides myself Rabbi Dr Israel Drazin __ Rabbi Michael Leo Samuel is the son of a Holocaust survivor He holds two rabbinic ordinations from the Tomchei Temimim Lubavitch Yeshiva of 770 Eastern Parkway Brooklyn and holds a D Min degree from the San Francisco Theological Seminary He is an avid student of the Greek classics Biblical and Talmudic scholarship Jungian Psychology Western Medieval Theology Modern Philosophy and 20th century psychology He is the author of *The Lord Is My Shepherd The Theology of the Caring God* 1996 *Birth and Rebirth Through Genesis* 2010 *A Shepherd's Song Psalm 23 and the Shepherd Metaphor In Jewish Thought* 2014 and *Rediscovering Philo of Alexandria A First Century Jewish Commentator Volumes 1-5* 2014-2018 **Commentary on the New Testament from the Talmud and Midrash** Hermann Strack, Paul Billerbeck, 2022-05-25 Volume two comments on the Gospels of Mark, Luke and John and the Acts of the Apostles Hermann L Strack and Paul Billerbeck's *Commentary on the New Testament from the Talmud and Midrash* is an important reference work for illustrating the concepts, theological background and cultural assumptions of the New Testament The commentary walks through each New Testament book verse by verse referencing

edition **Oracular Law and Priestly Historiography in the Torah** Simeon Chavel, 2014-11-19 Simeon Chavel identifies a distinct story type in the Torah the oracular novella its contours and poetics historical background and use A very short story of human quandary resolved by divine law the oracular novella depicts an incident or set of circumstances in Israel oracular inquiry by Moses and instruction by Yahweh The Torah has four such stories all in the Priestly source about cursing Yahweh Lev 24 10 23 Pesa deferral Num 9 1 14 woodgathering on the Sabbath Num 15 32 36 and inheritance by daughters Num 27 1 11 All four dramatize themes in the divine speeches and divinely directed activities preceding them But each utilizes the legal climax distinctly has a separate compositional history and affected other biblical texts differently Ancient sources show the oracular novellas to adapt a form of priestly activity for historiography Together they illuminate the Priestly History deeply troping divine will as law and highlight Judean priests cherishing oracular inquiry as the nexus of divine and human society *Wealth in the Dead Sea Scrolls and in the Qumran Community* Catherine Murphy, 2018-12-24 This volume is concerned with exploring sectarian attitudes toward wealth and the economic practices that gave rise to and issued from those attitudes An introductory chapter establishes the state of the question Three subsequent chapters focus on major sectarian texts the Damascus Document the Rule of the Community and 4QInstruction A Other sectarian and non sectarian texts that mention wealth are discussed in a fifth chapter while archaeological evidence from the Qumran region and contemporary documentary texts are introduced in chapters seven and eight Finally ancient secondary testimony on Essene economic practices is discussed The book breaks new ground in arguing for several biblical rationales for the practice of shared wealth Its integration of archaeological and documentary evidence sheds surprising new light on the economic organization of the Qumran community *Elenchus of Biblica* ,1988 **Bearing Yhwh's Name at Sinai** Carmen Joy Imes, 2023-06-21 The Name Command NC is usually interpreted as a prohibition against speaking Yhwh s name in a particular context false oaths wrongful pronunciation irreverent worship magical practices cursing false teaching and the like However the NC lacks the contextual specification needed to support the command as speech related Taking seriously the narrative context at Sinai and the closest lexical parallels a different picture emerges one animated by concrete rituals and their associated metaphorical concepts The unique phrase ns shm is one of several expressions arising from the conceptual metaphor election as branding that finds analogies in high priest regalia as well as in various ways of claiming ownership in the Ancient Near East such as inscribed monuments the use of seals and the branding of slaves The NC presupposes that Yhwh has claimed Israel by placing Yhwh s own name on her In this light the first two commands of the Decalogue reinforce the two sides of the covenant declaration I will be your God you will be my people The first expresses the demand for exclusive worship and the second calls for proper representation As a consequence the NC invites a richer exploration of what it means to be a people in covenant with Yhwh a people bearing his name among the nations It also points to what is at stake when Israel carries that name in vain The image of bearing Yhwh s name offers a rich source for theological and ethical

reflection that cannot be conveyed nonmetaphorically without distortion or loss of meaning Memoir of Moses A.J. Culp, 2019-11-01 Deuteronomy characterizes memory as the key to Israel's covenantal loyalty and commands its cultivation in the generations to come and the book portrays itself as the foundation for this ongoing memory program For this reason Deuteronomy is considered to be an ancient collective memory text However recent scholarship has not focused on the book as a formative agent leaving fundamental questions about the book unanswered Why does Deuteronomy see memory as important in the first place How does it seek to cultivate this memory in the people A J Culp answers these questions by exploring Deuteronomy as a formative memory text and bringing contemporary memory theory into dialogue with biblical scholarship Culp shows that Deuteronomy has tailored memory to its unique theology and purposes a fact that both illuminates puzzling aspects of the text and challenges long held views in scholarship such as those regarding aniconism *I Am He* Catrin H. Williams, 2000 New Testament scholars often claim that the interpretative key to Jesus' pronouncement of the words *ego eimi* in the Gospel of John lies in the use of this phrase in the Septuagint of Isaiah to render the Hebrew expression *ani hu* While previous studies have paid particular attention to the New Testament usage of *ego eimi* Catrin H Williams sets this evidence within a broader framework by offering a detailed analysis of the interpretation of *ani hu* in biblical and Jewish traditions She examines the role of *ani hu* as a succinct expression of God's claim to exclusiveness in the Song of Moses and the poetry of Deutero Isaiah and attempts to reconstruct its later interpretative history from the substantial body of evidence preserved in the Aramaic Targumim and several midrashic traditions Biblical *ani hu* declarations are cited by rabbinic authorities as proof texts against a variety of heretical claims particularly the two powers heresy but new *ani hu* formulations not necessarily confined to divine speeches are also attested In the concluding chapters Catrin H Williams considers the role of *ani hu* when seeking to interpret Jesus' utterance of the words *ego eimi* in Synoptic and Johannine traditions Reward, Punishment, and Forgiveness Joze Krasovec, 2014-09-03 This book deals with central and universal issues of reward punishment and forgiveness for the first time in a compact and comprehensive way Until now these themes have received far too little attention in scholarly research both in their own right and in their interrelationship The scope of this study is to present them in relation to the foundations of our culture These and related issues are treated primarily within the Hebrew Bible using the methods of literary analysis The centrality of these themes in all religions and all cultures has resulted however in a comparative investigation drawing attention to the problem of terminology the importance of Greek culture for the European tradition and the fusion of Greek and Jewish Christian cultures in our modern philosophical and theological systems This broad perspective shows that the biblical personalist understanding of divine authority and of human righteousness or guilt provides the personalist key to the search for reconciliation in a divided world *The New Testament Moses* John Lierman, 2004 This is a study of the NT witness to how Jews and Jewish Christians perceived the relationship of Moses with Israel and with the Jewish people This is a narrowly tailored study focusing specifically on that

relationship without treating Moses in the New Testament comprehensively The study consults ancient writings and historical material to situate the NT Moses in a larger milieu of Jewish thought It contributes both to the knowledge of ancient Judaism and the to illumination of NT religion and theology especially Christology

Restoring the Right Relationship Mark A. O'Brien, 2014-12-31 A leading biblical scholar Hans Heinrich Schmid believes that righteousness or the right order of the world is the fundamental problem of our human existence It is a key theme in the Hebrew Bible Old Testament s theology of creation and salvation along with associated themes such as justice steadfast love loyalty truth fidelity compassion mercy sin and disorder chaos A number of studies of righteousness have been undertaken but most have tended to focus on Israel s call to be righteous as voiced in particular in the Prophetic Books and the Psalter In contrast this book focuses on divine righteousness as the basis for all other notions of righteousness as this is outlined in the foundational teaching or revelation of the Hebrew Bible Old Testament namely the Torah or Pentateuch It then undertakes a study of how righteousness in the Prophetic Books the Psalter and the Book of Job relates to this foundational teaching
