**Once Upon a Soulmate** D.N. Leo, In a contemporary romantic fantasy with fairytale twists a protagonist faces an impossible task seducing her soulmate in the human world or facing banishment to the underground The catch He despises her As a journalist in the mortal realm and a seer in the magical realm she believed winning his heart would be a simple feat Yet he is a wealthy controlling CEO and she wrote a scathing article about his company In response he vows to dismantle her journal s reputation piece by piece But when she looks into his striking gray eyes she glimpses the emotional wound she unknowingly inflicted It s a wound he fiercely guards and one that fuels his determination to protect his secrets and loved ones In this captivating tale of enemies transformed into lovers she wonders if she can heal the damage caused by her words and win his heart Will they overcome the forces working against them or will their dreams shatter under the weight of adversity Prepare to be enchanted by this contemporary romantic fantasy where destiny weaves its intricate tapestry and true love confronts the deepest secrets of the heart Join them on an epic odyssey of sacrifice and enchantment where love may be their only salvation If you like the whimsical world of A Discovery of Witches and the unconditional love of Outlander then you ll devour Ciaran s and Madeline s story in Mirror and Realms series BOOKS INCLUDED IN THE MIRROR AND REALMS SERIES by D N LEO Once Upon a Soulmate Once Upon a Secret Once Upon a Sin Once Upon a Spirit Once Upon a Promise Once Upon a Shadow Once Upon a Light Once Upon a Halo Once Upon a Zodiac Once Upon Vow Once Upon a Portal Once Upon an Angel Once Upon a Second Chance Virgo The Vampire city Keywords supernatural suspesne Paranormal romance free Supernatural romance books free Romantic books for free Romantic novels free Time travel romance free book free romance book free fantasy free novel urban fantasy urban fantasy romance paranormal romance werewolf shapeshifter shape shifter complete series private investigator PI Spirit Deity Covenant Witch Angel soul soul dealer soul reaper supernatural detective detective supernatural FBI parallel universe multiverse alien classic love story

A Psychic Mess ,      Touch Me, I'm Sick Margeaux Feldman, 2025-09-09 Reject the stigmas of trauma and chronic illness by fostering queer forms of intimacy and embracing the many ways humans can care for one another The writer behind the popular softcore\_trauma Instagram offers a deeply personal memoir for folks seeking healing and better care The forms of intimacy and care that we ve been sold are woefully inadequate and problematic In a world that treats those who are sick and traumatized as problems in need of a cure nonbinary writer artist educator and Instagram creator Margeaux Feldman offers a different story Trauma which all too often manifests as chronic illness tells us that there is something deeply wrong with the world we live in A world that promotes individualism fractures us from community through violence and systemic oppression and leaves us traumatized That is what we need to cure While unveiling their own lived experiences caregiving for their sick father losing their mother surviving sexual abuse and grappling with their own chronic illness Feldman provides roadmaps for embracing queer modes of care or hysterical intimacies that reject the notion that those who have been labeled sick are broken Feldman looks at the lengthy history of branding girls women and femmes and their desires as sick from the treatment of hysterics by Jean Martin Charcot and Sigmund Freud in the 19th and 20th centuries What emerges is a valiant call for rethinking the ways we seek healing This compelling blend of theory personal narrative and cultural criticism offers a

path forward for reimagining the shapes and forms that intimacy care and interdependence can take      *Spirits in the Spirit* Anthony Normand, 2012-12-27 The journey of mystic Johnny Walker who communes with the dead but only when he's shit faced drunk It's a fun satirical fictional story of a man who deals with the seriousness of his family's alcoholism and the not so serious adventures that ensue Think of it as getting drunk with a purpose and that purpose is to assist the dead in whatever they need to get done Book 1 of 7 Book Series      Re-crafting Rationalization Simon Locke, 2016-03-23 Re-crafting Rationalization contributes to debates relating to the public understanding of science regarding the conceptualization of the relationship between science and the public It challenges the prevailing science centred or top down framework that currently informs notions of public engagement and knowledge transfer offering an alternative that remains firmly grounded in the discourse of classical social theory By proposing an alternative version of rationalization to the standard interpretation of Weber's disenchantment thesis this book establishes the public understanding of science as a matter of fundamental sociological concern As such it redefines this field to emphasize public meanings of science engaging with a range of topics of major interest to the public and popular meaning of science including science and religion science fiction and fantasy fringe science and media representations of science Combining rhetorical analysis with ethnomethodology and membership categorization analysis the book outlines the basis of a new approach to the sociology of knowledge in the light of which Weber's rationalization thesis is radically re-crafted in relation to studies of scientists discourse the rhetoric of science popularization and public usages of science This re-crafted rationalization is applied in a series of detailed empirical studies of enchanted science creationism and intelligent design Scientology and reflexive spirituality superhero comics and mundane mysteries Fortean discourse conspiracy theory and media representations of the scientist in the case of Jack the Ripper Re-crafting Rationalization therefore redresses a significant shortcoming in contemporary social theory which currently overlooks or misrepresents important public meanings of science whilst excluding popular culture from attention With profound implications for the ways in which we make sense of developments involving science this book will be of interest not only to sociologists and social theorists but also to those interested in popular culture and subcultures and the history philosophy and sociology of science      **Izzy + Tristan** Shannon Dunlap, 2019-03-12 A classic romantic tale with a modern twist this dazzling Indies Introduce pick follows two New York teenagers as they secretly fall in love for the first time Izzy a practical minded teen who intends to become a doctor isn't happy about her recent move from the Lower East Side across the river to Brooklyn She feels distanced from her family especially her increasingly incomprehensible twin brother as well as her new neighborhood And then she meets Tristan Tristan is a chess prodigy who lives with his aunt and looks up to his cousin Marcus who has watched out for him over the years When he and Izzy meet one fateful night together they tumble into a story as old and unstoppable as love itself In debut author Shannon Dunlap's capable hands the romance that has enthralled for 800 years is spun new Told from several points of view Izzy Tristan is a love story for the ages and a love story

for this very moment This fast paced novel is at once a gripping tale of first love and a sprawling epic about the bonds that tie us together and pull us apart and the different cultures and tensions that fill the contemporary American landscape
