guide and angelic meditations Emotional or psychological meditations Spirit and totem animals Mindfulness Visualization Reincarnation The In Focus series applies a modern approach to teaching the classic body mind and spirit subjects Authored by experts in their respective fields these beginner s guides feature smartly designed visual material that clearly illustrates key topics within each subject Animals Divine Companion Lisa Hunt,2005 **Burning Sky** Rachel Pollack,2013-07-25 BURNING SKY is a collection of twenty seven short stories by award winning author Rachel Pollack These stories many of which have remained almost wholly unknown until now reflect the author s interests in unorthodox sexuality and subjectivity of experience as well her wry sense of humor and impressive imagination **Dissonant Records** Tanya E.

Clement,2024-08-06 How archives obscure recorded media and the case in favor of discovering them Silence is not absence It may be perceived as meaningless or it may not be perceived at all but it takes up space In Dissonant Records Tanya Clement makes the case for spoken word audio recordings within the archives She explains why we tend to not use these audio recordings in research what silences exist in the cultural record and what difference it makes when we start to listen From recordings of the survivors of the 1921 Tulsa Massacre to Anne Sexton s recorded therapy sessions Clement illustrates the myriad ways in which our current use of archives precludes the use of invaluable recorded texts Whom what and how are we not studying in our cultural histories Why Clement asks do audio recordings typically garner little interest This book dissects the institutional and disciplinary blockades that discourage the use of spoken word audio recordings in research and teaching while interrogating how institutions and researchers can be selectively biased in favor of print and against the seemingly more ephemeral time based objects of our archives History making is a messy sociotechnical process the author explains and our understanding of culture can only be made better when we listen more closely to the noise **Meditation** Osho,1997-11-15 Meditation is indigenous to all religions and this book offers 63 step by step guides to both ancient and modern techniques From ancient Buddhist Taoist Sufi and Hindu practices to Osho s own modern Dynamic Meditation and Mystic Rose Meditation these methods will help any spiritual seeker further along the path to fulfillment

her harp and visited a wide variety of places She finally settled far from her homeland of the Netherlands in New Zealand where she raised and homeschooled her three children on her own Through both music and various healing modalities Annemieke found ways to reach out to others and make this world a better place for all In this memoir one woman shares her life journey in both music and healing describing a challenging life worth living that calls forth love in those around her

The Power of You Michele Knight-Waite, 2025-08-07 THE INSTANT SUNDAY TIMES BESTSELLER Have you tried manifesting and zilch Have you been dreaming longing and wishing for a better future Have you vision boarded like a wild thing carried crystals in your underwear while lighting your New Moon candles and chanting positive affirmations and yet nada nix nothing Don t worry You re not alone A lot of manifesting wisdom will tell you that it s all your fault You created your circumstances Your vibes are off That s wrong You are not a failure You were doing nothing wrong You are lovable worthy and equal to anyone on this earth We are all distinctive and unrepeatable sparks of the universe with special skills and magic encoded within us Finding the way to access this releases your ability to make your dreams come true The trick to manifesting is finding the right technique for you *The Power of You* gives you those techniques so that you can easily and simply draw towards you the life you deserve And most importantly create a better relationship with yourself with others and with the outside world along the way *The Power of You* hands you every tool secret and process you need broken down into simple steps so that you can get the results you deserve Know this Wherever you come from and whatever you have experienced you are a perfect soul There is nothing flawed about you Look around you and find others who have the kind of life you yearn for They are not better or more deserving than you And if they can live the life of their dreams so can you The fact you are reading this tells you that it is now your time to break through and tap into your huge reservoirs of magic and self certainty And receive what you truly desire Ready to begin your journey It s going to be a wild ride that takes you to places you never imagined So hold that dream and climb aboard

Tarot Awareness Stephen Walter Sterling, 2000 Have you ever looked at the mysterious symbols on the Tarot cards and wondered what they meant Or perhaps you have read the Tarot for others for many years but still don t understand how to use them for meditation and spiritual development Or perhaps you use the intense imagery of the Tarot for meditation but don t think it is appropriate to use this mystical tool for readings Well now you can learn the meaning of the symbols for spiritual development and for giving great readings in Stephen Walter Sterling s *Tarot Awareness* The Tarot is composed of two major sections the illustrated cards that form the Major Arcana and the cards of the Minor Arcana which are like a deck of playing cards with an extra court card for each suit Each card has a meaning for a reading The meanings of the cards are given in the text The Major Arcana cards also are about the spiritual development of your consciousness As you go through the cards from zero to twenty one you follow the progression of yours spirituality The fifty six cards of the Minor Arcana are associated with your development from the spiritual to the physical In fact they deal with the four levels of progression to manifestation the spiritual emotional mental

and physical Put this all together and for the first time you have a book which integrates spiritual and practical meditative and divinatory One of the great things about the Tarot is that it s symbolic Since the unconscious works through symbols it speaks to you Just working with the Tarot helps you to evolve especially when you understand the Tarot s spiritual truths In order to work with the cards the book shares five different readings you can do As an added bonus the book also deals with the difficult subject of proximity relating the cards in a spread to each other as opposed to just their positions in the spread This can enhance your readings on your quest for spirituality
