enlightenment transformation and change Are you hung up on an ex Are you following in the footsteps of your mother Inside these pages you will find the tarot explained specifically in terms of love and relationships helping you to identify Mr Right from Mr Wrong and allowing you to let love in to your life Journey through the 78 cards of the Tarot deck and uncover the relationship patterns at play in your life Understand why your old relationships didn't work figure out what your current partner is really thinking and see what the future has in store for your love life **It's All in the Cards** John

Mangiapane,2004 For nonexperts who want simple answers to their pressing questions on life love work and the future this unique approach to Tarot is the most accessible introduction ever John Mangiapane offers his special method of reading the cards **The Tarot According to You** Nancy Garen,2001 In TAROT MADE EASY Nancy Garen provided an authoritative comprehensive guide to the tarot one of the oldest and most popular divination systems In her new book she shows readers

how to go a step further Designed as a workbook that can be used with any tarot deck THE TAROT ACCORDING TO YOU enables readers to increase their self awareness and empower themselves by trusting their own interpretations and observations about the meanings of the cards **A Magical Course in Tarot** Michele Morgan,2002-02-28 The professional

psychic and author of Simple Wicca offers a practical guide to the ancient art of Tarot with illustrated card by card explanations In A Magical Course in Tarot Michele Morgan shares her deep understanding of this centuries old mystical tool for communicating with the Divine Appealing to both novice and experienced Tarot readers Morgan's method taps into the psychic energies that are inherent in everyone Morgan's strategy which can be applied to any of the various Tarot decks allows the reader to begin reading cards after the first chapter Accompanied by 78 beautifully penned original illustrations this guide is divided into three sections including how to follow one's instincts traditional and historical meanings of the cards and a detailed analysis on the interactions among the cards With a highly readable hip writing style Ms Morgan unveils the rich and magical process of how to read the cards James Wanless Ph D author of Voyager Tarot and Way of the Great Oracle **Learning the Tarot** Joan Bunning,1998-01-15 Learning the Tarot Joan Bunning offers a complete course in 19

lessons that covers the basics and then gradually goes into more advanced concepts First published in 1998 Joan Bunning's Learning the Tarot has become a tarot classic Written in a confident and natural style the book communicates the basic depth and beauty of each card shows how the cards trigger psychological projection and enhances intuition Learning the Tarot is a thorough but never overwhelming invitation to the beginner The book focuses in detail on the actual process of discovering meaning in the cards how to consider one card by itself how to look for card pairs how to create the story of a reading The book includes a convenient reference section that contains two pages of information for each card including a picture from the popular Waite Smith deck a description keywords action phrases and suggestions for cards with similar and opposite meanings The author first presented this course online at learntarot.com which continues to attract over one hundred thousand visitors per month When I first created my website in 1995 writes Joan Bunning I never dreamed how

much interest in the tarot I would find People from all over the world began writing to tell me about their experiences with the course and their adventures with the cards This response was music to my ears I knew from my own experience that the tarot is a wonderful tool for personal guidance and inner exploration My goal with this book was to give you the basics you need to begin working with the tarot on your own I try to make this inner process understandable by breaking it up into a series of steps that are simple while still doing justice to the depth and beauty of the cards I concentrate on the everyday showing how the tarot makes real practical sense in the modern world The tarot is a living system that adapts creatively to each user Rather than rules I offer guidelines While reading my book I want you to feel that you have a teacher sitting next to you who is introducing you to this special tool but also encouraging you to go on to discover your own unique approach to the cards

1-2-3 Tarot Donald Tyson,2004 With the simple system outlined in this book you can start reading the cards immediately even if you ve never even touched a Tarot deck before Most books that teach you how to read the Tarot contain long lists of keywords for each card With seventy eight cards and multiple keywords for each card that s hundreds of meanings to memorize The easy effective system outlined in 1 2 3 Tarot will have you giving accurate readings right away without having to memorize anything The key to this unique system is the Tarot sentence A card s complex significance boils down to three elements identity action and direction These elements are matched with a noun verb and adverb to form a simple sentence and give you a succinct meaning for any given card You ll learn how to interpret the collective meanings of three card sets within a variety of spreads designed to answer any question A quick reference table that includes reversed meanings saves you the trouble of flipping through the book while you re in the middle of a reading Flexible fast and fun this foolproof method can be applied to any Tarot deck Book jacket
