people The greater the degree of nonrandomness the greater the probability that one is a reincarnation of the other It also demonstrates that our reincarnation history takes us back to the first medicine wheel Sirius Lemuria home to Adam who subsequently manifests as Jesus Finally author John Kordupel addresses the question of how one cures an illness that had its genesis in a previous lifetime arising from negative energy built up over a lifetime and continuing through death Kordupel sought out energy healer Leanne Long in an attempt to dissipate the negative energies influencing his own life and now he shares his discoveries with the world This study the first volume in a series explores a wide range of topics relating to spirituality and energies that shift among people and across lives      **Experience the Mystery of Tarot** Katalin Jett Koda,2020-12-08 Take Your Destiny Into Your Own Hands Combine Tarot with Simple Ceremonies to Change Your Life Experience the Mystery of Tarot explores a fresh perspective on the cards and shares meditations ceremonies and exercises for using tarot to make positive changes For each card you will discover an in depth exploration of card meanings as well as essential qualities activity suggestions and a hands on exercise or ceremony Learning to make sense of your experience through myth and ritual enables a better grasp on what s coming up in the future so you can resolve difficult situations and improve your connections with loved ones Within these pages you will also discover layout suggestions and dozens of ideas for gaining insights into relationships finances work health issues spiritual questions and so much more This unique embodied approach to tarot supports beginners and experienced readers alike in the quest to transform our lives and embrace the joy and love that await us      *A Cultural History of Tarot* Helen Farley,2009-08-13 The enigmatic and richly illustrative tarot deck reveals a host of strange and iconic mages such as The Tower The Wheel of Fortune The Hanged Man and The Fool over which loom the terrifying figures of Death and The Devil The 21 numbered playing cards of tarot have always exerted strong fascination way beyond their original purpose and the multiple resonances of the deck are ubiquitous From T S Eliot and his wicked pack of cards in *The Waste Land* to the psychic divination of Solitaire in Ian Fleming s *Live and Let Die* and from the satanic novels of Dennis Wheatley to the deck s adoption by New Age practitioners the cards have in modern times become inseparably connected to the occult They are now viewed as arguably the foremost medium of prophesying and foretelling Yet as the author shows originally the tarot were used as recreational playing cards by the Italian nobility in the Renaissance It was only much later in the 18th and 19th centuries that the deck became associated with esotericism before evolving finally into a diagnostic tool for mind body and spirit This is the first book to explore the remarkably varied ways in which tarot has influenced culture Tracing the changing patterns of the deck s use from game to mysterious oracular device Helen Farley examines tarot s emergence in 15th century Milan and discusses its later associations with astrology kabbalah and the Age of Aquarius      [A Fool Disclosure](#) ,      **Elemental Witchcraft** Heron Michelle,2021-12-08 Build Your Best Practice in Alignment with the Elements Begin your Witchcraft journey on the Pentacle Path a wholly unique system of magickal practice that incorporates ritual magick journey work and spellcraft to help you fully
